

Deciduous Azaleas, 2022

'Gibraltar'

Up the spring garden with a splash of orange. Huge trusses of lightly scented, coppery-orange flowers open from red-orange buds before the shrub's leaves appear, enhancing the drama. This spectacular Exbury hybrid Azalea is an RHS Award of Garden Merit winner. Zone 5-7, 4-6Ft Tall & Wide

Golden Lights

An extremely hardy selection that provides a massive display of brilliant, golden yellow single blooms in late spring. The small mounding form with lush, bright green foliage is excellent for massing in shrub borders and perennial beds, or for use as a vibrant flowering foundation plant. Deciduous. Zone 3-7, 6ft Tall x 4ft Wide
