

Japanese Maples from Iseli Nursery

Grape Leaf Full Moon Maple

Acer japonicum
'Vitifolium'

True to the name, the leaves of 'Vitifolium' resemble grapevine foliage, but they appear on a tree with a stiff, spreading branch structure. The soft, fluffy, light green leaves from early spring through summer, change in fall to a spectacular display of orange-yellow and bright red. Early, showy, red and white flowers add extra ornamental interest. Tree performs best with filtered or full sun in rich, moist soil.

Garden Size - 20'H x 15'W
12-15 inches / year
Broad Upright - Zone 5 - Green
Sun to Partial Shade

Acer japonicum 'Vitifolium'

Butterfly Japanese Maple

Acer palmatum
'Butterfly'

This vase-shaped tree has small, dainty, variegated (blue-green and white) leaves with a light tinge of pink. In fall, the creamy margins become a blazing magenta. Consider this elegant tree for a dramatic entry planting in full sun or light shade.

Garden Size - 15'H x 12'W
6-12 inches / year
Broad Upright - Zone 5 - Variegated
Sun to Partial Shade

Acer palmatum 'Butterfly'

Fireglow Japanese Maple

Acer palmatum
'Fireglow'

The bright red leaves of 'Fireglow' have a luminescent quality and the best summer color retention of all upright, red palmatums. An intense firey glow appears in fall. This well-branched Japanese Maple has a moderate growth habit and a broad crown in maturity, so it is appropriate for shading small courtyards and patios.

Garden Size - 15'H x 12'W
6-12 inches / year
Broad Upright - Zone 5 - Red
Sun to Partial Shade

Acer palmatum 'Fireglow'

Katsura Japanese Maple

Acer palmatum
'Katsura'

One of the first Japanese Maples to leaf out, this small, upright, dwarf tree sports small, five-lobed leaves that start out brilliant yellow-orange and turn to rich green. In fall, a phenomenal display of pastel yellows and oranges prevails.

Garden Size - 15'H x 12'W
6-12 inches / year
Broad Upright - Zone 5 - Yellow/Green
Sun to Partial Shade

Acer palmatum 'Katsura'

Japanese Maples from Iseli Nursery

Coral Bark Japanese Maple

Acer palmatum
'Sango kaku'

The Coral Bark Maple is popular for its flaming, coral-red bark that stands out against drifts of snow in winter. The leaves emerge in spring with a flush of bright, yellow-orange and change to soft green for summer, which provides a sharp contrast to the glowing, coral bark. Autumn color is bright tones of yellow, gold with hints of scarlet.

Garden Size - 20'H x 15'W
12-15 inches / year
Broad Upright - Zone 5 - Green
Sun to Partial Shade

Acer palmatum 'Sangu Kaku'

Sherwood Flame Japanese Maple

Acer palmatum
'Sherwood Flame'

Distinctive branching gives this small garden tree a strong, formal look, and good heat tolerance keeps its red foliage red from spring through summer. In fall, leaves go reddish green first, then brighten to cherry red as the season progresses. Trees broaden with maturity to develop a rounded silhouette, which provides good winter interest, especially combined with bark that has distinctive silver striations.

Garden Size - 15'H x 12'W
6-12 inches / year
Broad Upright - Zone 5 - Red
Sun to Partial Shade

Acer palmatum 'Sherwood Flame'

Japanese Maples from Iseli Nursery

Tsuma Gaki Japanese Maple

Acer palmatum
'Tsuma gaki'

In spring, the soft, pendant chartreuse leaves on this small, rounded tree sport dramatic edges of persimmon red, an effect that looks like many dainty leaf-hands with brightly painted "nails." In summer, the foliage continues to demand attention as it develops wide, deep red margins and light cream centers.

Garden Size - 10'H x 7'W
6-12 inches / year
Broad Upright - Zone 5 - Green
Sun to Partial Shade

Acer palmatum 'Tsuma gaki'

Seiryu Laceleaf Maple

Acer palmatum dissectum 'Seiryu'

This green Laceleaf Maple, the only upright one offered by Iseli Nursery, is a vigorous tree with finely dissected leaves that are tolerant of heat. In fall, the foliage turns to a wonderful display of strong gold, light yellow, and crimson. Although upright, the tree maintains a compact stature, and its feathery leaves, which hold up well to heat, bring about dappled sunlight.

Garden Size - 15'H x 12'W
6-12 inches / year
Broad Upright - Zone 5 - Green
Sun to Partial Shade

Acer palmatum dissectum 'Seiryu'

Japanese Maples from Iseli Nursery

Viridis Laceleaf Maple

Acer palmatum dissectum 'Viridis'

The cascading, mounding form of 'Viridis' displays the classic branching of a Japanese Maple. Its bright green, delicately dissected leaves turn golden yellow and red in fall. The well-known, green, weeping cultivar handles full sun or shade, and it produces vigorous growth but stays compact.

Garden Size - 7'H x 10'W
6-12 inches / year
Cascading - Zone 5 - Green
Sun to Partial Shade

***Acer palmatum dissectum* 'Viridi'**

Golden Full Moon Maple

Acer shirasawanum 'Aureum'

The Golden Full Moon Maple is highly regarded for its beautifully shaped, colorful leaves. Especially in spring, the small, slow-growing, garden tree displays outstanding, glowing color. Yellow-green leaves brighten shadier spots through summer, before putting on orange and red hues in fall. Protect this maple from intense sunlight.

Garden Size - 10'H x 7'W
6-12 inches / year
Broad Upright - Zone 5 - Yellow
Sun to Partial Shade

***Acer shirasawanum* 'Aureum'**

Japanese Maples from Iseli Nursery

Autumn Moon Maple

Acer shirasawanum
'Autumn Moon'

The unusual burnt orange to bronzy gold color is strongest with lots of sun and more yellow-green tones where shaded. Outstanding orange and red fall color creates a spectacular show. Use the multi-branched tree with angular branching and a striking winter form as a specimen or focal point. In areas of intense sun, protect it from scorching summer exposure.

Garden Size - 15'H x 12'W
6-12 inches / year
Broad Upright - Zone 5 - Yellow
Sun to Partial Shade

Acer shirasawanum 'Autumn Moon'

First Flame® Maple Iseli Introduction

Acer x pseudosieboldianum
First Flame® ('IslFirFl')

The first leaves of spring explode onto the scene with hot red-orange tones and begin to cool by mid-spring to swirling flames of orange and yellow and then green with hints of red in summer. Small, star-shaped leaves cover the narrow upright tree which broadens with maturity. Part of our Pacific Rim® collection of maples.

Garden Size - 20'H x 15'W
12-15 inches / year
Broad Upright - Zone 5 - Green
Sun to partial shade

Acer x pseudosieboldianum 'First Flame'
