

HYBRID TEA

BARBRA STREISAND

Color: Perfect mauve blushing darker

Flower: Fully double, up to 5in., over 35 petals

Fragrance: Citrus and old rose

Size: 3-5ft

Zones: 5-9

Good Disease Resistance

An avid rose lover, Barbra was very choosy when it came to picking a rose that would bear her name. It had to have large flowers with an attractive color. But most of all, it must be fragrant! The Barbra Streisand rose certainly fulfills those desires. Just one big shapely blossom can nearly overpower you with strong sweet scent. The clean lavender colors show off strikingly against deep glossy green leaves. Her vigorous plant bears loads of long-stemmed beauties. Great for cutting or just for smellin'.

DOUBLE DELIGHT

Color: Cream blushing red

Flower: Large, full, 30-35 petal count

Fragrance: Strong, sweet and spicy

Size: 3-5ft

Zones: 6-9

Good Disease Resistance

The most popular new variety of the last 30 years. Double Delight fulfills the two highest demands of a rose—an eye-catching color combo and fantastic nose-pleasing fragrance. The prolific bush provides lots of creamy pointed buds that blush red with the rays of the sun. Deep green leaves. Best color/flower size in warm days & cool nights.

FRAGRANT CLOUD

Color: Deep coral red-orange

Flower: Large, fully double, 25-30 petal count

Fragrance: Strongly sweet & spicy

Size: 2.5-5ft

Zones: 5-10

Good Disease Resistance

It's hard to find words to describe the heady

delicious perfume that effuses from this captivating well-formed coral-range—sometimes clove, often spicy, definitely sweet and mostly rose. Lots of large shapely blooms are produced on a vigorous bushy plant with dark glossy green foliage.

HEAVENLY SCENTED™

Color: Salmon

Flower: Large, old-fashioned, very double, 4-5in., 60-130 petal count

Fragrance: Sweet, citrus & spice

Size: 4-6ft

Zones: 5-10

Strong Disease Resistance

Heavenly Scented Hybrid Tea Rose has everything you desire from a long stemmed rose,

delivered in a beautiful conch pink. Hybrid teas are known to produce one large flower per stem, making them the quintessential cutting rose. The strong, sweet fragrance beloved by rose gardeners travels with each cut flower. In the garden, Heavenly Scented grows in an upright habit and has a strong resistance to downy mildew and rust. Good color retention means that these roses won't lose their bright prawn-pink hue in the sun.

LASTING LOVE®

Color: Dusky red blended deep pink

Flower: Large, up to 5in., double, around 25
petal count

Fragrance: Strong rose

Size: 2.5-3ft

Zones: 5-9

Good Disease Resistance

It's been a while since a heavenly fragrant red HT has come 'round. Lasting Love is not the bright red of Olympiad, but the powerful perfume will give Mister Lincoln a run for his money. Big showy blooms of blended dusky red and dark pink glimmer against foliage so gloriously glossy it almost looks artificial. Burgundy red new growth makes a most handsome plant for all to enjoy. More red in milder temperatures.

MR. LINCOLN

Color: Velvety deep red

Flower: Large, fully double, 30-35 petal
count

Fragrance: Very flowery & slightly sweet

Size: 3-6.5ft

Zones: 5-10

Good Disease Resistance

A historic American milestone in red roses that's still hard to beat. The large pointed buds and rich red well-formed blooms have a velvety quality that you must feel to believe. The powerful damask rose fragrance seduces even the hardest heart. Vigorous, tall and proud with long stems & dark green leaves. Likes consistent warm days & cool nights.

NEPTUNE™

Color: Lavender blushed purple on the very edge of the petals

Flower: Large, 4.5-5.5in., over 35 petals

Fragrance: Intense, sweet, citrus, rose

Size: 4-5ft

Zones: 6-10

Very Good Disease Resistance

Can an aquatic divinity enjoy fragrance? If so, Neptune would surely be spirited away after one sniff of his very own rose. You'll idolize the big blossoms of luscious lavender tinged with just a touch of purple. Certain to garner awards, the abundant blooms arrive on a praise-worthy plant with large glossy green leaves, good vigor and strong vitality. It's no myth, just take a whiff! Best bloom size in cooler temps.

PERFUME FACTORY™

Color: Magenta fading lavender-pink

Flower: Classic double, 3.5-4in., 40-50 petal count

Fragrance: Spicy & fruity

Size: 4-5ft

Zones: 6-9

Excellent Disease Resistance

If you love tea roses, you'll just adore Perfume Factory! This aromatic superstar emerges in early summer with large, magenta-plum blooms that are simply sublime. Flowers with great substance reach 4" across and boast layers of soft petals and a strong spicy-fruity scent. The bushy, upright plants are perfect for creating a perfumed walkway or adding bold color to sunny borders.

Secret™

Color: Cream brushed with rich pink

Flower: Medium-large, fully double,
30-35 petal count

Fragrance: Strong citrus

Size: 4-4.5ft

Zones: 6-9

Very Good Disease Resistance

You can't keep this Secret secret because the sweet fragrance will give it away. An AARS winner with perfume worth bragging about. But it's not all just for the nose, your eyes will love the loads of well-formed flowers whose soft colors are set off by mahogany-red new foliage. Everyone will appreciate this easy-to-grow prolific plant. Always attractive & super fragrant. Best size when cool.

Stainless Steel™

Color: Silvery Lavender?

Flower: Large, full, 25-30 petal count

Fragrance: Strong rose

Size: 5-7ft

Zones: 7-10

Strong Disease Resistance

This 'everyday' version of Sterling Silver is much easier-to-care-for, much easier-to-grow and has much longer-lasting flowers. Yet it still possesses the wonderful perfume and the mysterious pastel color that places its far-removed ancestor in rose history. The trophy-hunters will go for the classic show form and the nice long stems. Deep green large leaves clothe the tall vigorous plant. Flower size & color are best with some cooler temperatures.

Sugar Moon™

Color: Pure white

Flower: Large, up to 5in., full, classically formed, over 30 broad petals

Fragrance: Strong citrus

Size: 5-5.5ft

Zones: 6-9

Very Good Disease Resistance

White roses exude elegance...but not much in the way of fragrance...until now! In this case, 'exude' is too delicate a word 'cause this honey will bulldoze you down with its powerful cold-cream perfume. Big pointed buds spiral open to show off broad petals of the purest white you can imagine. Black-green leaves make the pure white posies pop all the more. Good rebloom, natural vigor & long cutting stems make this a perfect addition for a cutting garden...or even just a smellin' garden. Comments: Larger flower size in cool temps.

SHRUB

Cosmic Clouds™

Color: Magenta-purple fading deep purple w/ white reverse

Flower: Large clusters of full, very double, medium-sized flowers of 2.5-3in., 70-85 petal count

Fragrance: Strong fruity

Size: 6-7ft, can be a climber in zones 8-9

Zones: 4-9

Very Good Disease Resistance

A brand new shrub rose that shows off a different color combination at every angle. With rich pink flowers offering up a cloud-white reverse, Cosmic Clouds Shrub rose adds intrigue as well as volume to the rose garden. Cosmic Clouds can be trained as a climber in zones 8-10, and in colder zones, it performs wonderfully as a large shrub. Flowers appear in medium or large clusters, grouped in sets of three to ten blooms. Extremely full, each rose blossom is packed with over 75 petals and opens up to three inches in size. Cosmic Clouds is a fragrance fan's dream, with a strong, fruity scent that lasts in the vase. This rose fights off powdery mildew, downy mildew, and rust with ease.
