

PAM – Sunday Ride Invitation

RL- Dave Pickles

The Regular Half Day ride today will be led by Dave Pickles who invites you for a 1/2 Day ride, he writes:

Leave at 9:30 Sharp and head to Plympton along B3416, then take road to Lee Moor along B3411. Turn right then left to Cadover Bridge then to Yelverton.

At Yelverton turn left on A386, then immediately right to Crapstone, then right again to Pounds Cross.

Head downhill to A386 Horrabridge. Turn left on A386 to Tavistock. At Bedford Sq, Tavistock, turn left and go up 'between the banks' towards Brentor and continue on to Lydford.

Go through Lydford and rejoin A386. At Sowton, take A30 east and head to the main traffic lights in Okehampton town centre.

Turn right at these traffic lights and head straight up the hill to

Okehampton Camp to take a breather and look at the view(weather permitting).

Head back down hill but before the traffic lights turn left past Okehampton Castle. Turn right in about 1/4 mile to connect with A386 then continue north west along A3079. After 2 miles turn left to Boasley Cross, then continue through Bratton Clovelly, following the signs for Roadford Lake where we will have tea and cake at the Water Sports Centre.

The return leg would be to turn left out of the Centre and continue along this road to Lifton along the old A30. Then turn left at Tinhay and return to Tavistock via Chillaton. If people wish to leave at Tavistock along A390, they can, otherwise continue to Yelverton (Leg o Mutton) where we could say our fare wells or stop for a cuppa

Roadford Lake

Hope to see you there !
