Please come and join us On Sunday, gorgeous scenery, lots of twisties and the odd one or two hairpins, as a sweetener we will bring the biscuits for the 11's.

This is a full day starting from the Costa coffee shop Plymouth and terminating at the Sourton services on the A386 Jct with A30 south of Okehampton, the round trip Plym/ Plym is 195 miles.

The weather looks set fair with good visibility, and this time I will vary the pace to hopefully take in some lovely autumn scenery. We will head up to South Brent leaving the A38 just past the Shell garage, heading into the centre of Buckfastleigh and out towards Widecombe in the moor

There will be a quick comfort stop in Bovey Tracey as the first stint is 1 hr 45 min. From there we will pick up the B3193 at Chudleigh Knighton along the Teign valley and head towards Exeter and out on the A396 towards Tiverton stopping at the Fishermans Cot at Bickleigh Bridge for a brew.

Staying on A396 heading for Minehead, a splash and dash at Tesco's then A39 to Porlock with lunch in Porlock Weir, There is plenty of choice a large pub that does food a cafe and shop that sells sandwiches etc, nothing is booked or even bring your own packed lunch, staying on A39 heading over Exmoor down Countisbury Hill into Lynmouth we will venture on the B3223 towards Simonsbath and South Molton, a short stop for a drink/cake at either the Quince honey farm or Northgate inn. From here pick up A 377 and with some quicker roads to Sourton services for our goodbyes.

Please note this a long day in the saddle and previous trips have finished late ie arriving back in Plymouth 6 ish!
