HURRY, YOUR CARNIVAL CRUISE TO THE BAHAMAS AWAITS

You'll just have to visit The Bahamas to truly appreciate this classic cruise destination. On this 700-strong string of sun-splashed islands dotting the blue Atlantic, the living's easy. The central port of Nassau is the bustling capital of the country — “bustling” is a relative term, of course — while Freeport is all chill, all the time. And nothing is as delightfully desolate as Half Moon Cay and Princess Cays: pure private-destination paradise. Enjoy sailing, snorkeling, strolling pearly pink-sand beaches, and swimming through crystalline turquoise seas.
