Hemsthorpe Community Welcome (HCW) is a Community Sponsorship group working towards helping a family, forcibly displaced from their home overseas by conflict / political instability, to resettlement in a new country and find sanctuary in the Hemsworth / Moorthorpe area. At present the group is made up of representatives from Catholic and Anglican churches in the area but we are looking to broaden our support base.

We are looking for an enthusiastic volunteer (aged 18+) to help us raise funds by applying for grants and to charitable trusts for financial support for our project.

If you are keen to play a key role in this worthwhile project and are over 18, we would love to hear from you.

In no more than 500 words, tell us why you would be great for this position.
