Dear Armando,

Greetings from the Diocese of Zaria!

I write to appreciate your gesture of support to the Pope John Paul II School of Evangelization, Catholic Diocese of Zaria, through your offer to teach the course "Extending the Faith" based on your correspondences to Mr. Jude Asogwa, the Assistant Director of the School.

I write on behalf of the people of God in the diocese and the facilitators in our School of Evangelization to invite you, and we will be happy if you do accept our invitation, to come and teach "Extending the faith" in our School of Evangelization sometime in the month of May 2006, the suitable period you indicated. Arrangements by myself and the people of God in the diocese are being made for your stay and the other team members whose names and passport numbers appear below:

- Armando Ruiz – Passport No. 055568845 [American]
- Ojangole Bruno – Passport No. B0440575 [Uganda]
- Jorge Ignacio Sandoval – Passport No. 05793608 [American]
- Simon Peter Okiria – Passport No. B143801 [Uganda]
- Adrian Ruiz – Passport No. 058064069 [American]
- Daniel Leite Fernandes – Passport No. C O 978 . 724 [Brazilian]

Because of the peculiarity of our diocese in having to cope with the predominance of Islam, our main objective is to propagate grass root Evangelization. In this regard, we will very much appreciate any other contribution you may want to make to promote this course.

With prayerful good wishes for you and your colleagues I remain,

Yours in Christ,

Most Rev. Dr. George J. Dodo
Bishop of Zaria Diocese
