Your Eminence,

Re: Recommendation for Mr. Bruno Ojangole of the Faithful Missionaries of Mary.

I am writing to introduce Mr. Bruno Ojangole, a faithful servant of the Public Association of the Faithful "Missionaries of Mary," who has been working with Radio Maria Uganda since 2016 to date. I am also writing to respectfully request Pontifical recognition of the Missionaries of Mary's evangelization efforts to support its international expansion. They have done a lot to support Radio Maria's mission of evangelization.

Radio Maria is a gift in the Church, and its mission is to bring the voice of Christ to every home by providing quality programs that are spiritual, moral, educational, empowering, and entertaining. Highlighting this underscores the importance of Mr. Bruno's services in the Radio and encourages the audience to see their efforts as valuable and deserving of recognition.

Bruno is an active member volunteering in the evangelization services at Radio Maria, which is dedicated to evangelizing the world through catechesis, visiting homes, teaching the scriptures, and doing apostolate in small Christian communities, families, and mission Churches within the Ecclesiastical province of the Archdiocese of Tororo. Emphasizing his dedication can make the audience feel confident and appreciative of his commitment.

I am happy to bring to your attention that their association desires Pontifical recognition to continue its evangelizing and catechetical efforts internationally. The materials they have developed are firmly grounded in Catholic principles and the Sacred Scriptures and align with the mission of Radio Maria. Emphasizing the significance of this recognition can foster hope and confidence in the association's future impact.

I am writing to strongly recommend Bruno and their association for worldwide recognition, which will enable them to expand evangelization efforts beyond Uganda and support the Church's mission globally.

Sincerely yours, in Christ,

Fr. Alexander Oketch
