Mr. Armando Ruiz,

I have given invitation to five of you from whom you can choose one. I would like to have only two of your members i.e you and any other one who can also take decision on whatever we discuss. September is not our regular course in which you can interact with the members. This is a course for priests only and we shall not have time for other things. You may have some time to address them if there is need but nothing more.

Looking forward to seeing you in September.

I remain,

Sincerely yours in Jesus Christ,

+Emmanuel N. Otteh

Mr. Armando Ruiz,
Teo Ruiz,
Michael Gallegos,
Jorge Sandoval,
Reyes Ruiz,

My dear members of Mary's ministries,

A Letter of Invitation

Following our discussion with you in Rome in May this year I write to invite you to visit us and see how your ministry and our New Evangelization Courses can work together. The September Course for Priests is a specialized course. You will have the opportunity to address them after our discussion. When your plans for the travel is ready, you will inform us long in advance.

Looking forward to seeing you and welcoming you.

I remain,

Sincerely yours in Jesus Christ,

+Emmanuel N. Otteh
Bishop of Issele-Uku
