

ST. DENIS CATHOLIC CHURCH

LWAKHAKHA PARISH

P.O Box 934, Mbale, (U).

7TH March 2026.

His Eminence Cardinal Kevin Joseph Farrell,
Prefect of the Dicastery for Laity, Family and Life,
Camerlengo of the Holy Roman Church,
Chairman of the Committee on Confidential Matters,
Chairman of the Investment Committee,
President of the Supreme Court of Vatican City State,

Greetings to you from Lwakhakha Catholic Church.

I am writing to express my support for the Public Association of the Faithful "Missionaries of Mary" as they seek Pontifical recognition to continue to doing the work of the Church internationally. They are faithful in presenting the Catholic faith and dynamic in sharing it.

Missionaries of Mary have been working in Lwakhakha Catholic Parish for the past 7 years.

Their statues were canonically erected by Archbishop Hector Miguel Cabrejos Vidarte, OFM of the Archdiocese of Trujillo, Peru.

The main objective of the Association is to form members of the Church to be Missionary Disciples, who can go and evangelize the world.

Their formation involves three steps: first, the encounter with Christ, secondly, learning about God in Scripture, the Catechism and other Documents of the Church and finally, evangelizing in small groups that conduct three different types of missions. The first is in their own home, the second is in a familiar location and the third in an unfamiliar location.

I do foresee a great future and good fruit in the apostolate of Missionaries of Mary that will benefit the entire Church.

Best Regards,
