Dear Armando Ruiz,

Greetings & Prayerful Wishes to you from me in the name of Jesus, the good Lord and our Divine Master. I wish that these few lines of mine find you in the best of health. I am O.K. here.

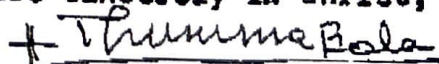

We are very happy that Rev.Fr.R. Innareddy obtained one year Visa to United Kingdom to help you in your Mary's Ministries including helping in a parish, as per need. He is leaving for USA on 1st of June, 2006 to meet his friends in Columbia, etc. Around middle of June, '06, he will come to see you in Phoenix.

As I requested you earlier, please allow him to preach Mission Appeals for our Diocese of Warangal until 20th of August, '06. He will talk to you on these matters personally.

I am here-with entrusting him to your care. Please take good care of him, guide him & help him out that he will be of great use & help to you in Mary's Ministries. I am confident that he will do really well. We will keep him in our special prayers. To-day is the Feast of the Visitation of Mary (31st May, '06). May our Blessed Mother Mary keep you and Fr.R. Innareddy under her loving care and protection.

Wishing you all the best & success in your Mary's Ministries in London.

With Cordial Regards

Yours Sincerely in Christ,

+ Thumma Bala "
(Bishop of Warangal)
