Mr. Bruno Ojangole,
Catholic Church Pallisa,
P.O Box 12,
Pallisa-Uganda.

Dear Mr. Ojangole,

Re: MISSIONARIES OF MARY IN THE CHURCH:

I write to confirm that Missionaries of Mary is a lay Association of Catholic Evangelizers founded and centered in the diocese of Phoenix, Arizona, which promotes the Charism of International Evangelization. They are helping in forming Catholic Evangelizers in the Church and the fruits of their work are evident.

Various Ministries are most welcome in the Church because they translate Christ's teaching into concrete action and some of them are indeed the extension of the very Ministries He used to carry out himself.

However, it can happen that some members of the Associations are carried off by so much zeal that they tend to go astray especially from the right teaching and practice of the Universal Church regarding the essentials. So, one has to constantly watch out.

Nevertheless, I allow Missionaries of Mary to operate in the Archdiocese of Tororo. Let the priests act as your Patrons/Chaplains to ensure orthodoxy.

Wishing you and the members God's blessings, I remain,

Yours Sincerely,

.....

Denis Lote Kiwanuka
Archbishop of Tororo.
