His Eminence Cardinal Kevin Joseph Farrell,
Prefect of the Dicastery for Laity, Family and Life,
Camerlengo of the Holy Roman Church,
Chairman of the Committee on Confidential Matters,
Chairman of the Investment Committee,
President of the Supreme Court of Vatican City State,

Your Eminence Cardinal Kevin Joseph Farrell,

Cordial greetings and fruitful Lenten regards to you in the name of our Lord Jesus Christ!

I am writing to express our support for the Public Association of the Faithful "Missionaries of Mary" as they seek Pontifical recognition to continue the work of evangelization. Their impact is enormously felt in their pastoral approach transforming the lives of many spiritually.

They have been working in our parish here at St. Austin for the past 9 years and indeed they have brought a great change in the lives of the Christians as mentioned above. Their support for the Church is anchored on the Discipleship of Jesus whose principal purpose is to form the members of the Church to be Missionary Disciples as we encounter Him in our daily lives in the Holy Scriptures, the Sacraments, the tradition, the social teaching of the Church and the magisterium, our fellow human being and creation.

Their Missionary house is located here at St. Austin Catholic Church Mbaale and that's where they launch their evangelization Missions to other parts of the diocese and beyond.

I believe that the Charism of this Association is a blessing to the universal Church and I fully support their desire for recognition to fulfill their Mission.

Wishing them God's blessings and success.

With sincere gratitude and pray

ers
