His Eminence Cardinal Kevin Joseph Farrell,
Prefect of the Dicastery for Laity, Family and Life

Your Eminence,

RE: MISSIONARIES OF MARY IN THE ARCHDIOCESE OF TORORO.

I am pleased to write to you to express my support for the Public Association of the Faithful "Missionaries of Mary" as they seek Pontifical recognition to continue to engage in the work of evangelization efforts internationally. The materials that they have developed are firmly grounded in the Catholic principles and Sacred Scriptures.

Missionaries of Mary have been working in the Archdiocese of Tororo for over 15 years now and they have an evangelizing Community in St. Austin Parish in Mbale city where Mr. Bruno Ojangole is based together with other lay Missionaries. On September 8, 2011, their statute was canonically erected by Archbishop Hector Miguel Cabrejos Vidarte, OFM of the Archdiocese of Trujillo, Peru.

The Association's Primary goal is to form members of the Church to be Missionary Disciples who can transform culture and society.

The formation involves three steps: first, the encounter with Christ, secondly, learning about God in Scripture, the Catechism and other Documents of the Church and finally, evangelizing in small groups that conduct three different types of missions. The first is in their own home, the second is in a familiar location and the third in an unfamiliar location (another parish or diocese).

In the different places where they have done their apostolate, their work is greatly appreciated and encouraged.

I am confident that the efforts of the Association will bear good fruit for the sake of God's kingdom.

Sincerely

Msgr Christopher Emuseet
