

ROTOWHEEL HI-SPEED TRAILER ASSEMBLIES

Drive Beyond the Standard with the New Compass CT8000

Experience performance, safety, and durability redefined. The NEW CT8000 high-speed trailer tyre range features an advanced tread design for superior grip on wet, muddy, or unpaved roads. Its reinforced ribs and optimised grooves deliver a quieter, more comfortable ride, while the durable high-load structure and low rolling resistance compound ensure long life and excellent fuel efficiency.

Fully compliant with ETRTO, EUDR, and UN ECE R117 (04S2W2R3B) standards. The Compass CT8000 is built to go further, with confidence in every mile.
