

Top 10 Practices for Sport Coaches' Wellbeing & Effectiveness

Here is a list that can help sport coaches enhance their wellbeing and effectiveness:

#	Practice	Quick Tip	
1.	Boost Coaching Efficacy	Set small goals and reflect on your coaching strengths	
2.	Practice Self-Compassion	Treat yourself with kindness, especially after setbacks.	
3.	Use Mindfulness Daily	Try 5–10 minutes of focused breathing or body scans.	
4.	Lead Authentically	Coach from your values—let athletes see the real you.	
5.	Regulate Emotions Effectively	Pause, breathe, and reframe before reacting.	
6.	Reflect Regularly	Journal wins, challenges, and lessons after sessions.	
7.	Build a Support Network	Connect with mentors or peers who understand coaching life.	
8.	Prioritize Self-Care	Move, rest, eat well, and engage in non-coaching joy.	
9.	Practice Gratitude	Weekly, jot down what you're thankful for in your role.	
10.	Model Emotional Intelligence	Show calm, empathy, and accountability to your athletes.	

Sound Mind Performance Playbook – Summary Table
