The Agile Reframe Canvas

What Agile Used to Mean to Me Reflect on your early experiences with agile. What did it represent? What values or practices stood out? 	What Agile Means to Me Now How has your understanding of agile evolved? What does it mean to you today? 	My New Metaphor for Agile Create a metaphor, image, or analogy that captures your current view of agile. 
My Reframed Agile Slogan or Meme Write a short, punchy phrase or meme that captures your reframed agile mindset. 	One Agile Practice I Want to Reframe Choose one agile practice that feels outdated or misunderstood. How would you reframe it? 	One Action I Will Take Tomorrow What's one thing you'll do differently with agile starting tomorrow? 

The Agile Reframe Canvas

What Agile Used to Mean to Me Reflect on your early experiences with agile. What did it represent? What values or practices stood out? Human-centric Conversation Trust Adaptability	What Agile Means to Me Now How has your understanding of agile evolved? What does it mean to you today? Human-AI collaboration Human creativity Machine intelligence	My New Metaphor for Agile Create a metaphor, image, or analogy that captures your current view of agile. A symphony of human and AI harmony
My Reframed Agile Slogan or Meme Write a short, punchy phrase or meme that captures your reframed agile mindset. Adapt with AI Lead with humanity	One Agile Practice I Want to Reframe Choose one agile practice that feels outdated or misunderstood. How would you reframe it? Augmented Retrospective AI analyzes data Humans evaluate	One Action I Will Take Tomorrow What's one thing you'll do differently with agile starting tomorrow? In our next retrospective invite the team to experiment with AI augmentation

The Agile Reframe Canvas

What Agile Used to Mean to Me Reflect on your early experiences with agile. What did it represent? What values or practices stood out? A movement away from traditional project management	What Agile Means to Me Now How has your understanding of agile evolved? What does it mean to you today? Agile integrates with enterprise project management, governance, strategy, delivery	My New Metaphor for Agile Create a metaphor, image, or analogy that captures your current view of agile. A river of the many streams of agile, governance, and strategic alignment
My Reframed Agile Slogan or Meme Write a short, punchy phrase or meme that captures your reframed agile mindset. Agile is a bridge into the enterprise, not a boundary	One Agile Practice I Want to Reframe Choose one agile practice that feels outdated or misunderstood. How would you reframe it? A Definition of Value Delivered, includes governance, compliance, and strategy	One Action I Will Take Tomorrow What's one thing you'll do differently with agile starting tomorrow? Work with leadership to explore how we can integrate agility with team DoVD
