

Hoosier MGs

Annual Planning Meeting

This is perhaps the most important meeting of the season!

This is when the club's events for the driving season get added to the calendar. At the same time, we also add other non-club sponsored MG and unique events which members may be interested in. Please plan to attend! If you have even considered sponsoring a drive, **GO FOR IT!!!** Bring your ideas other members will answer questions and provide guidance if you need help.

Now that you know the what here is the when and where...

Saturday March 25th 12 - 3:00pm

Bynum's Steakhouse
3850 S. Meridian Street
Indianapolis, IN 46217

2023 is the 100th Anniversary of the founding of the MG Car Company in Abingdon-on-Thames. The first M.G.s were available to customers earlier in 1923, and the first recorded sale was in August 1923. Let's put together a driving season worthy of this 100th Anniversary!

The M.G. octagon first appeared in an advert in The Oxford Times of March 2nd 1923 and was subsequently used in virtually every M.G. advert thereafter.

The octagon logo is understood to have been designed by Ted Lee, Cost Accountant at The Morris Garages. The two-letter acronym soon became M.G.'s logo.
