Saturday nights stay, 10-10-'26 will be provided by the Comfort Inn - Jasper.

A link will be provided for a group rate. We do not have that link yet, it will be provided as soon as we get it. We will have 10 double queens and 10 Kings set aside for that night.

Two events on our agenda this year require cash. (No checks, no credit cards, no Debit cards.) **** You will need cash for a meal an activity, and a tour.... We suggest a minimum amount of \$40 per person, which does not include tips, souvenirs, or extra items that will be offered.

* We are leaving Saturday morning at 9:30 from the Hampton Inn - Bedford. A drivers meeting will be held in the hotel parking lot at 9:15.

** Participants are responsible for their individual registrations and payments at the Hotels. Rooms not confirmed by the call dates will be released and space will be subject to availability.

Also, registering for the the Forgotten Roads Run is to be made with Roger at his

email: rayjay1616@gmail.com (please add your phone number and if you text) or by text messaging to: 812-345-5016 so that we can communicate instructions and information in a timely order and be able to keep in contact during the run.

As a courtesy, we report the number of participants for restaurants, a few days ahead of appointed dates so that they have time to prepare for our visit.

*** As usual, our Run is scheduled during the busiest time of the Fall Season. The Hilly Hundred is in the Monroe Co. area, the smaller towns are busy with Festivals, and there are many Sports Events. Family-outings and reunions looking for "color" in the forests and landscapes is also a very popular activity, therefore, waiting to register for our run is NOT a good option. The hotels are booking for other events and can't come up with additional spaces.

Book early and don't forget to inform Roger at rayjay1616@gmail.com or text to 812-345-5016 of your phone number and text messaging or email preferences. Folklore, legends, and interesting history tid-bits will be sent for entertainment purposes before, during, and after the "Run".
