Get the MG out of the garage and head to Lizton Indiana, west of Indy. The adventure will start at Tri West High School in Lizton, south of town on IN-39. Arrive 9:00 AM for Drivers meeting. We will leave the lot at 9:15 for a casual 60+-mile drive west to Hendricks and Parke county and others. We will attempt to find and cross 5 drivable covered bridges. Bring a navigator as there will be questions. This will be an adventure. Some gravel possible. Kurt is still researching the best course in the 4WD. A late lunch is scheduled at the Narrows restaurant inside Turkey Run State Park. You will need to pay the park admission fee to visit the Inn and restaurant.

After lunch we will head back to Lizton on a different route. We should be back to Lizton about 3:15 ish. You may return to Indy on I-74 or 136. Those going home North can return on IN-39 toward Lebanon. Those returning southbound can take IN-39 south to Plainfield.

Please RSVP if you can. If not, don't worry- come anyway. If your car has a nicer paint job than Kurt's , again don't worry- remember we will go slow on gravel. Kurt's MGA still smoking at >60mph. We will keep it 50-55 mph.
