

When I found myself, I was able to love; when I met my wife, I discovered what that meant.

- - *Scott Delaney, 2016*

BURNASKA BLISS

Butterfly kisses
kiss kiss
in butterfly bliss.

When all that I miss
miss miss
are my sweetheart's lips.

Now all that I've sought
sought sought
are pieces of this.

When all that I've found
found found
is Burnaska bliss.
