On Tuesday, August 11th, Census employees known as enumerators will begin knocking on the doors of those who have not yet filled out the 2020 Census. Get ahead of those knocks and fill the Census out at home today!

Nine easy, confidential questions- that's it! If you've already taken the 2020 Census, take a moment to check in with friends and family to be sure they've completed their Census questionnaire. It's going to take all of us to ensure a complete count of Nevada County so that we can get the funding we need for important programs like emergency response services, hospitals, and food banks.

Taking the Census from home is easy!

We have been busy planting all sorts of certified organic fruits, vegetables, and flowers and are eager to share the farm's bounty! Come visit us and check out what seasonal goodies we have for sale! Cash, check and EBT are all accepted. **Look for the harvest menu posted on the Sierra Harvest's Facebook page each week.**
