TIP OF THE MONTH from 40 Assets Tip #15- Your Kid's Friends

Get to know your child's
friends and their parents to
ensure their values are the
same as yours and that they
know how to speak and act
kindly toward others.
When your child has friends
visiting, insist that
everyone treat others with
respect in all ways.

A youthful good influence
won't be perfect, any more
than your child is, but that
influence should be heading
in the same direction you
want your child to go, and
at approximately the same
speed.
