PLAYGROUP WELCOMES NEW FAMILIES!

Page 2 of 2

Families with children ages 0-5 are invited to join us twice weekly for Playgroup. At Playgroup, we engage in imaginative, active play, arts and crafts activities, circle time with songs, stories and poems and outdoor fun. We've been enjoying making new friends and creating wonderful connections during our time together. Playgroup is held on Tuesdays & Thursdays from 10 am-noon. We will continue to meet during the summer months. Older siblings are always welcome to attend. *Please call with any questions about Playgroup - 530-292-3174.*

INPUT APPRECIATED on RESOURCE CENTER OFFERINGS

Most offerings at your San Juan Ridge Family Resource Center are provided as a direct result of community input. The food pantry, clothes closet, tech access, creative movement & dance classes, sports camps, other activities, events and celebrations exist simply because wants and needs were expressed by friends and neighbors on the Ridge. Even though we are in the midst of spring, we are already making plans for next fall. What activities and events would you like us to host next year? We are hoping to continue children's Creative Movement/Dance Classes with Aubrey and Adult Yoga Classes with Marcy. Please let us know if there are other classes or activities that you, your children, or your entire family would like to attend. How about day-to-day services or special events? We are here to serve you and the best way to do that is to know what you need. To contribute your ideas, please call us at 530-292-3174. We are looking forward to hearing from you soon. **HAVE A GREAT SUMMER!**

IMMUNIZATION CLINIC on the RIDGE SCHEDULED for JULY 12

On Tuesday, July 12 from 10 am-noon, Nevada County Public Health will offer an immunization clinic on the Oak Tree Campus. They will be offering the following childhood vaccines: Tdap, MMR, Varicella, Dtap, Polio, and Hep B for children. They will also have Tdap available for adults. Children must be accompanied by a parent or proof of guardianship OR provide a legible written note from their parent authorizing another adult's consent for immunizations (you can find the form on Nevada County website under immunizations consent). To access childhood vaccines, you also **MUST** have the child's shot record. No record, no shots; the most up-to-date record from their Primary care provider or the school OR the yellow paper immunization card. And, finally, please be sure to bring insurance information if you are insured. COVID vaccines for approved age groups will also be offered; bring your vaccine card to insure proper intervals between shots. Persons that receive COVID vaccines will need to stay in the immediate area for observation by the administering nurse for a minimum of 15 minutes. Should they have any health contraindications the observation time will be extended to a minimum of 30 minutes. *For more information, please contact Lisa Richardson, Nevada County Public Health Vaccine Coordinator at 530-265-7049 OR Lisa.Richardson@co.nevada.ca.us*

NEVADA CITY NISENAN RANCHERIA LAND ACKNOWLEDGEMENT

- We acknowledge these are the ancestral homelands of the Nevada City Nisenan Tribe
- We acknowledge this land was taken repeatedly with no compensation or regard for the lives and ways of the original people, until they had no land left.
- We acknowledge we are settlers here, that we live, love and work on land the Nisenan never ceded.

To learn more about the Nevada City Rancheria and the Nisenan tribe, please visit nevadacityrancheria.org
