

SPORTURF

WHAT TYPE OF **MAINTENANCE** IS REQUIRED & WHY?

Consistent maintenance is the difference between a **premium playing surface** and early turf failure.

POWER BRUSHING (Monthly)

Maintains play **consistency** and prevents premature turf wear.

STRUCTURAL INSPECTIONS (Quarterly)

Ensures safety, stability and prevents **costly repairs**.

DEEP CLEAN (Annual)

Removes dirt and moss that **affect grip** and **drainage**.

SAND TOP UPS (Quarterly)

Maintains traction, shock absorption and true **ball response**.

SEAM & DEAD SPOT CHECKS

Prevents **injuries** and ensures consistent play.

LIFESPAN EXPECTATIONS OF **PADEL COURT TURF**

Without Maintenance

2-4 YEARS

With Maintenance

5-8 YEARS

Regular maintenance extends turf life and **protects your investment**.
