

EX LIBRIS

Dedication

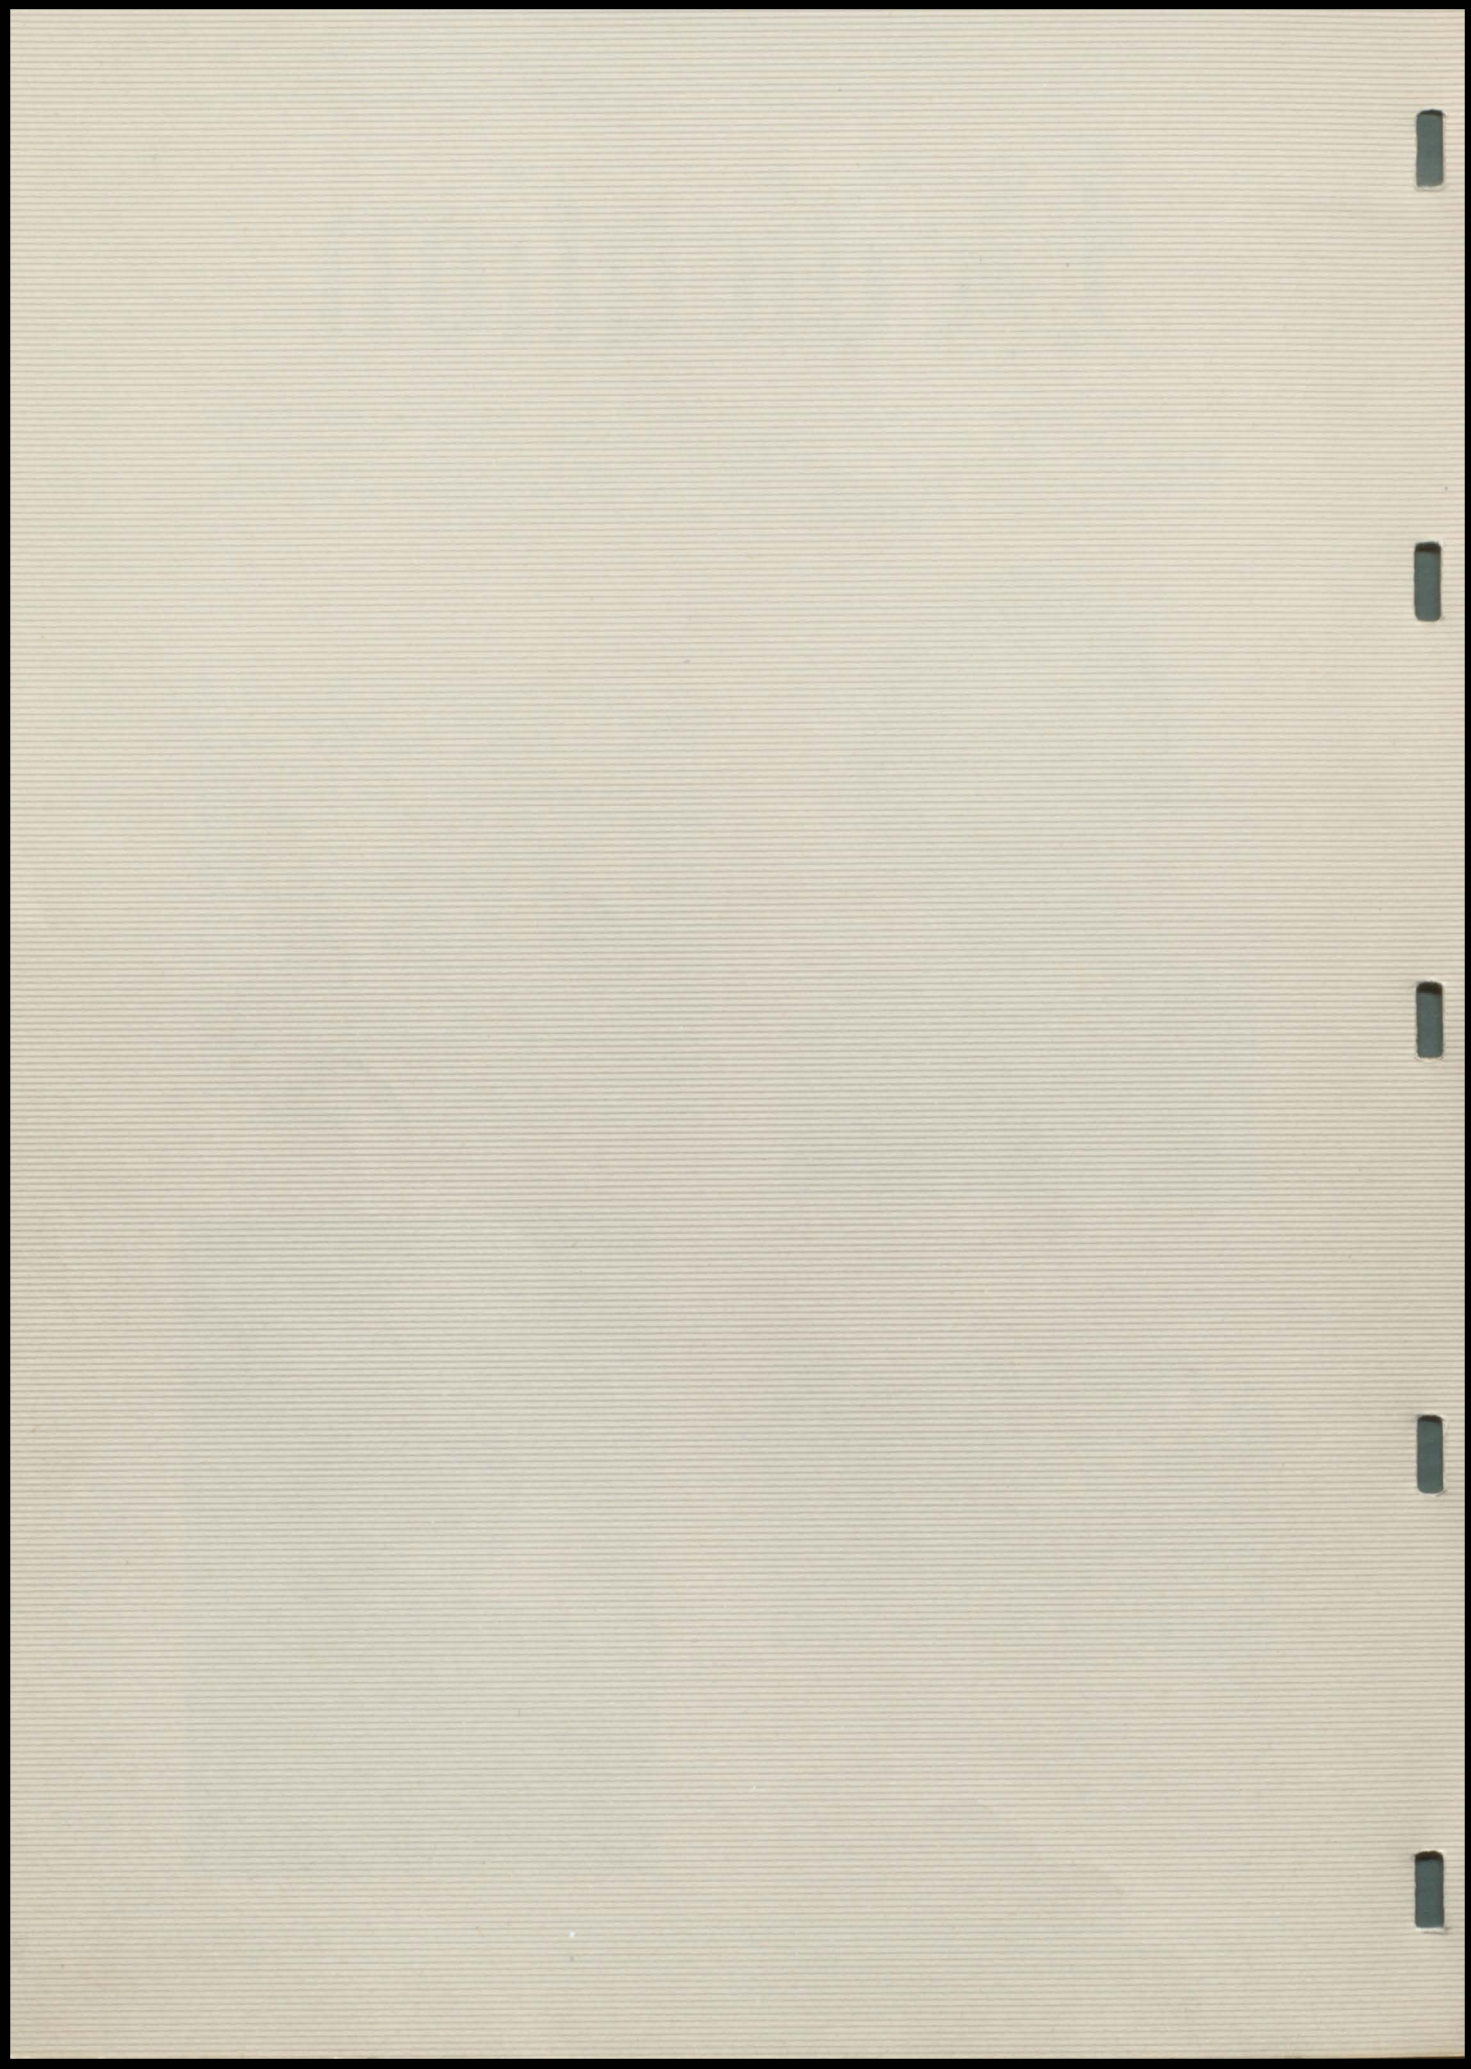

The Senior Class of 1953 is dedicating this year book to two people who have in separate ways, contributed greatly to our school and to the education of its students. We feel that this class, classes that have come before us, and classes that will follow us owe these two ladies a debt of gratitude for their services.

Since 1913, one of the leading teachers of Coggon, has been Miss Tillie Lindahl. She has been a faithful servant of the school and of the community. The first six years that she served at Coggon was spent teaching fifth and sixth grade. The following years, were spent in the junior high department. Consequently we feel that we are justified in dedicating this annual to Miss Lindahl. We are sure that you will agree that we have chosen wisely in selecting this superb teacher and wonderful lady. Anyone who has been under Miss Lindahl's guidance feels that she has contributed to his success.

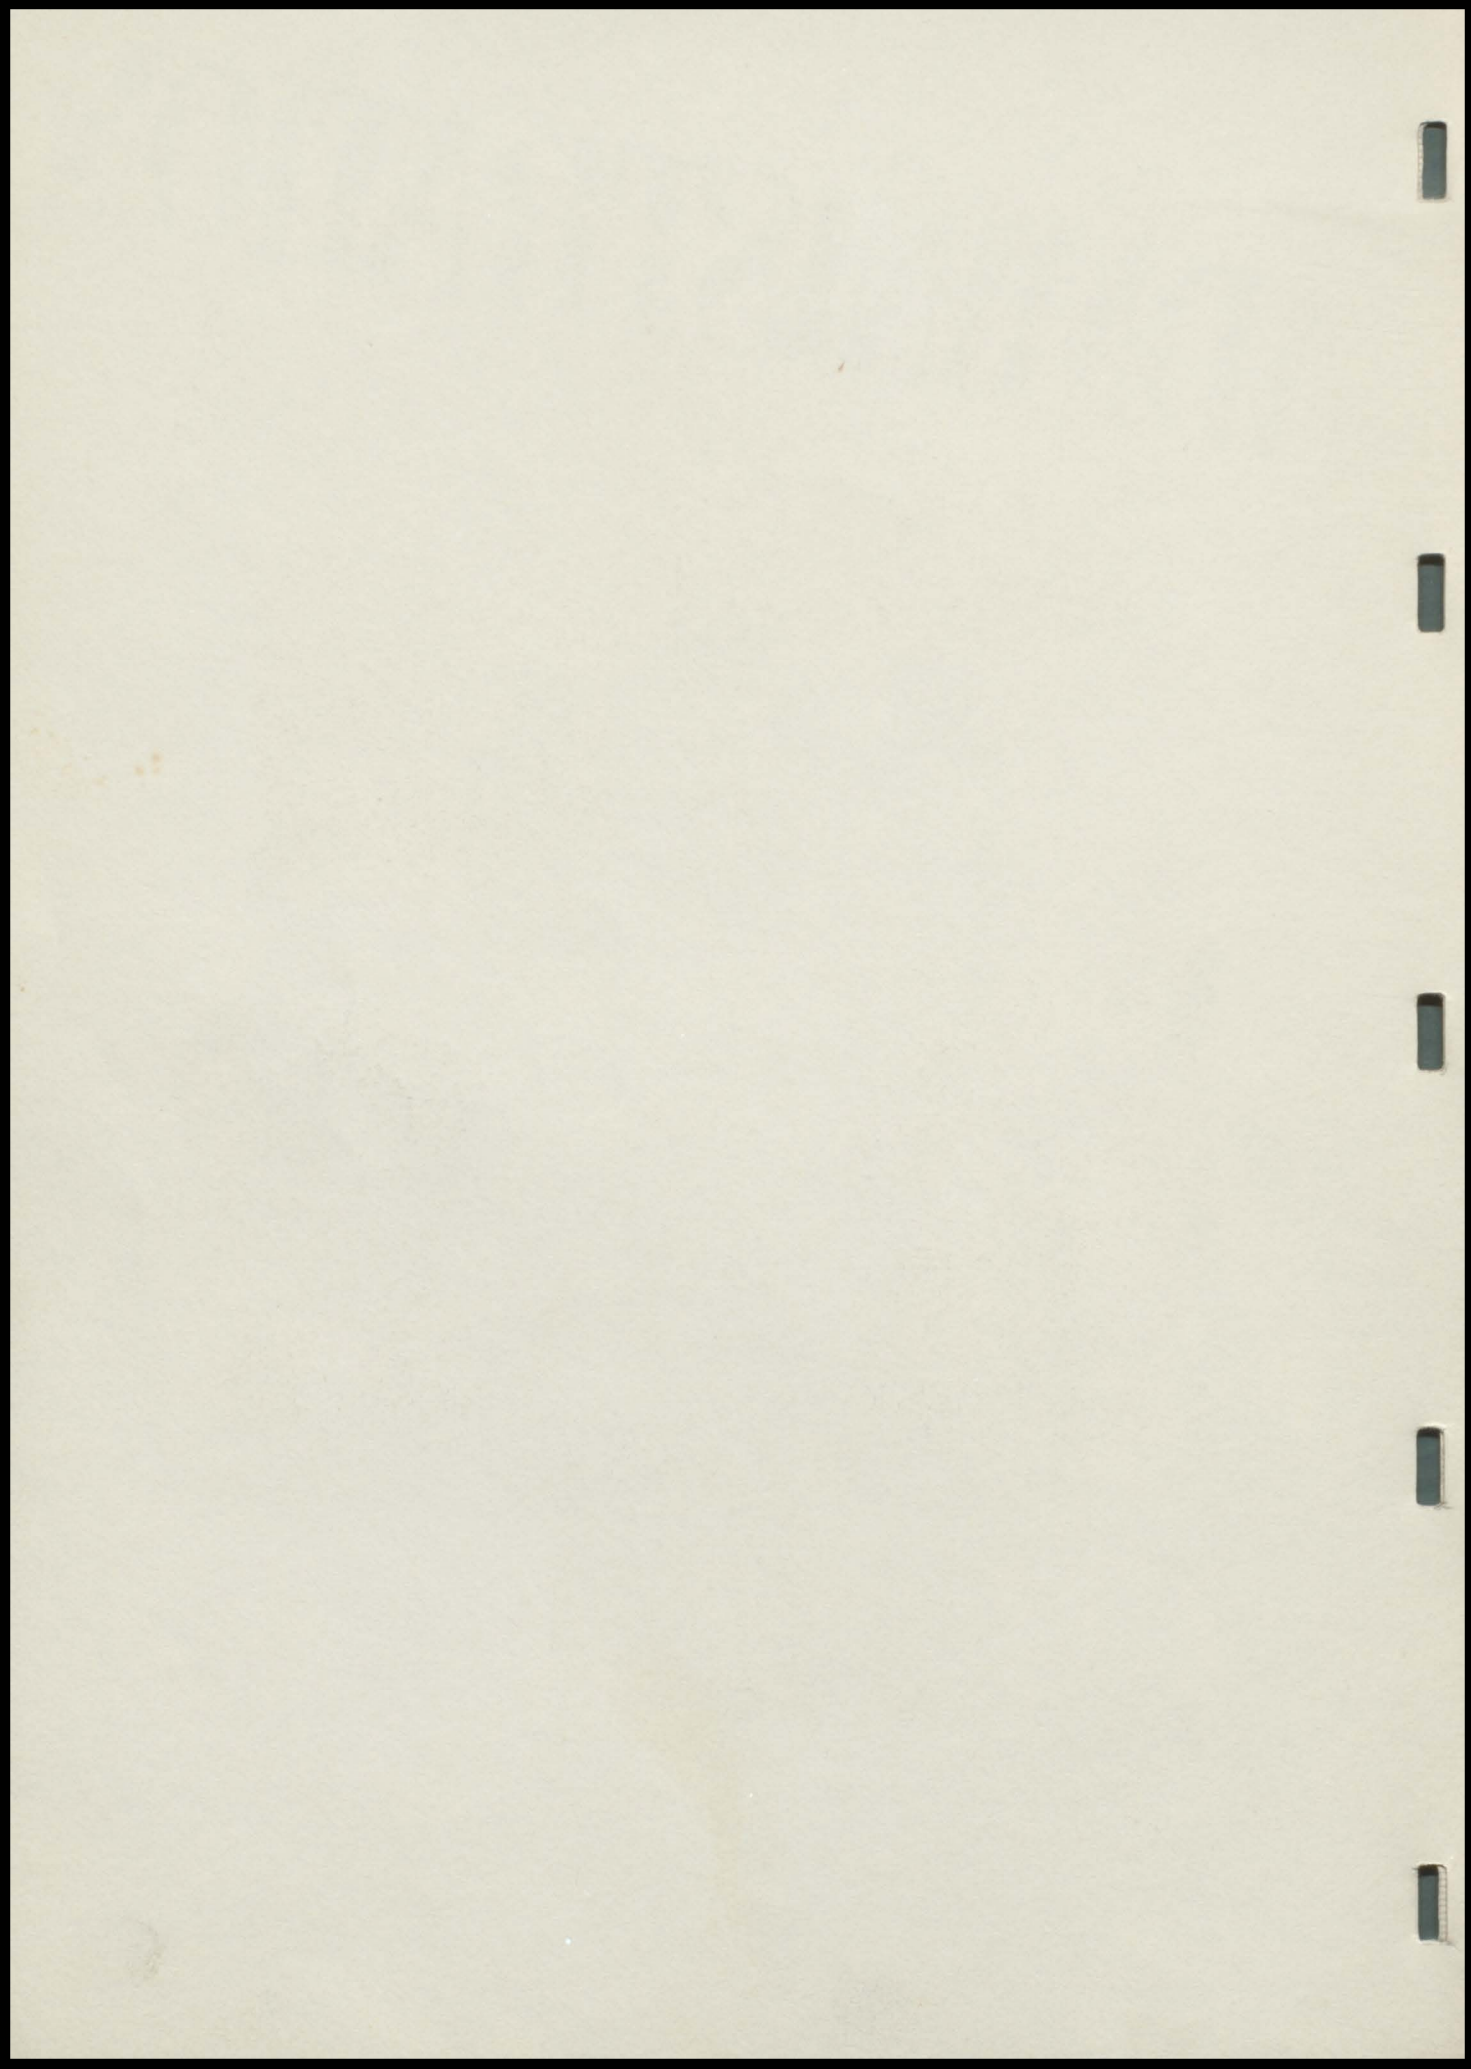

The fifteen years of service on the Coggon School Board with many tireless hours spent by Mrs. Savage, giving thoughtful suggestions and constructive criticism, has been a feature of the promotion of a better school system for Coggon and community. The foregoing is exemplified by Mrs. Savage's service not only in the school but all community projects which help to make Coggon a better place for growing boys and girls.

THE HOT-LUNCH PROGRAM

Mrs. Barker Mrs. Hunter

Mrs. Gardner Mrs. Savage

Everyone likes to eat. At least at C.H.S. Under the expert cookmanship of Mrs. Lola Barker and her able assistants, Mrs. Bertha Sweet and Mrs. Augusta Hunter, we eat very deliciously prepared food. All students will remember this year for the many turkey dinners.

Much credit is also due to Mrs. Wanda Gardner and Mrs. Ethel Savage who are in charge of washing dishes (in a large electric dishwasher). They also help out in the kitchen and serve dinner to the kindergarten, first and second grades.

When asked to comment on their work, all were in agreement on one point. They all enjoy working here. And as Mrs. Barker states it, "I wouldn't work here if I didn't like." Mrs. Hunter, "I like serving the high school students best." Mrs. Savage, "Working here, I get to know many boys and girls that otherwise I would never see." Mrs. Gardner feels the same way.

Mrs. Gladys Johnston is the person who keeps the hot-lunch program running smoothly. She keeps the daily record and makes out the report that goes to the state. She records the sale of tickets and receipt of money. Mrs. Johnston also pays the bills.

Mrs. Coleman plans the meals for our hot-lunch program.

In the fall of "40", ten small eager, pupils began their school life. Of these 10, only five have remained through the 13 years. These are Jim Woods, Shirley Hill, Mary Alice Mills, Marilou Reeves, and Jim Hungerford. As we continued our school life, Tom Redeker and Keith Peyton were added in Second grade.

Entering Junior High, several members were added to the class. Donna Sweet entered in the Sixth grade, while Don Henderson, Dona Price Wilda Emerson, and Robert Garner, all joined us in Seventh. In Eighth grade Nancy Mills joined our class. After completing Eighth grade, with Miss Lindahl as our teacher, we received our diplomas which enabled us to continue our school career.

As Green Freshmen, Ruth Christiansen, Joanne Kintzle, Garnet Henderson, Dolores Marek, Kathleen McElligott, Delbert Noonan, Darold Smith, Beverly Topping, Viola Wall, Virginia Woods and Kathryn Beresford increased the class of "53". In the fall of "49" we were initiated by the Seniors, making us full-fledged Freshmen. Venturing on, Mary Ernst joined the class of Silly Sophomores. As Jolly Juniors, Mabel Hamblin and Shirley Smith were the last to fill out the class of "53". One of the highlights of the Junior year was our class play "Green Valley". We remember so well (and I think Miss Grimm does, too) the tussle we had putting on the play. One of our most memorable events was the Jr. and Sr. Banquet "Spring in Flirtation Park" which turned out to be a great success. In finishing up our last year as Sophisticated Seniors we think back over all the good times we have had together at C. H. S. and hope that we are better fitted to be a success in the future.

If by some chance you are able to find a student that is fortunate to have a talent for music just go to the music room. There you will no doubt find him. Why? Because he is preparing to go to contest April 10-11 in Manchester. He may either have a vocal or instrumental solo. If not the vocal or instrumental solo. Why is he a critic? Because he is first at the contest.

All the vocal ensembles went to Iowa State for a music workshop. The instrumental ensembles went March 7, instrumental ensembles March 14, and all solos March 21.

The band members are beginning to choose their numbers to take to contest at Tripoli. The boys and girls glee club and mixed

F. F. A.

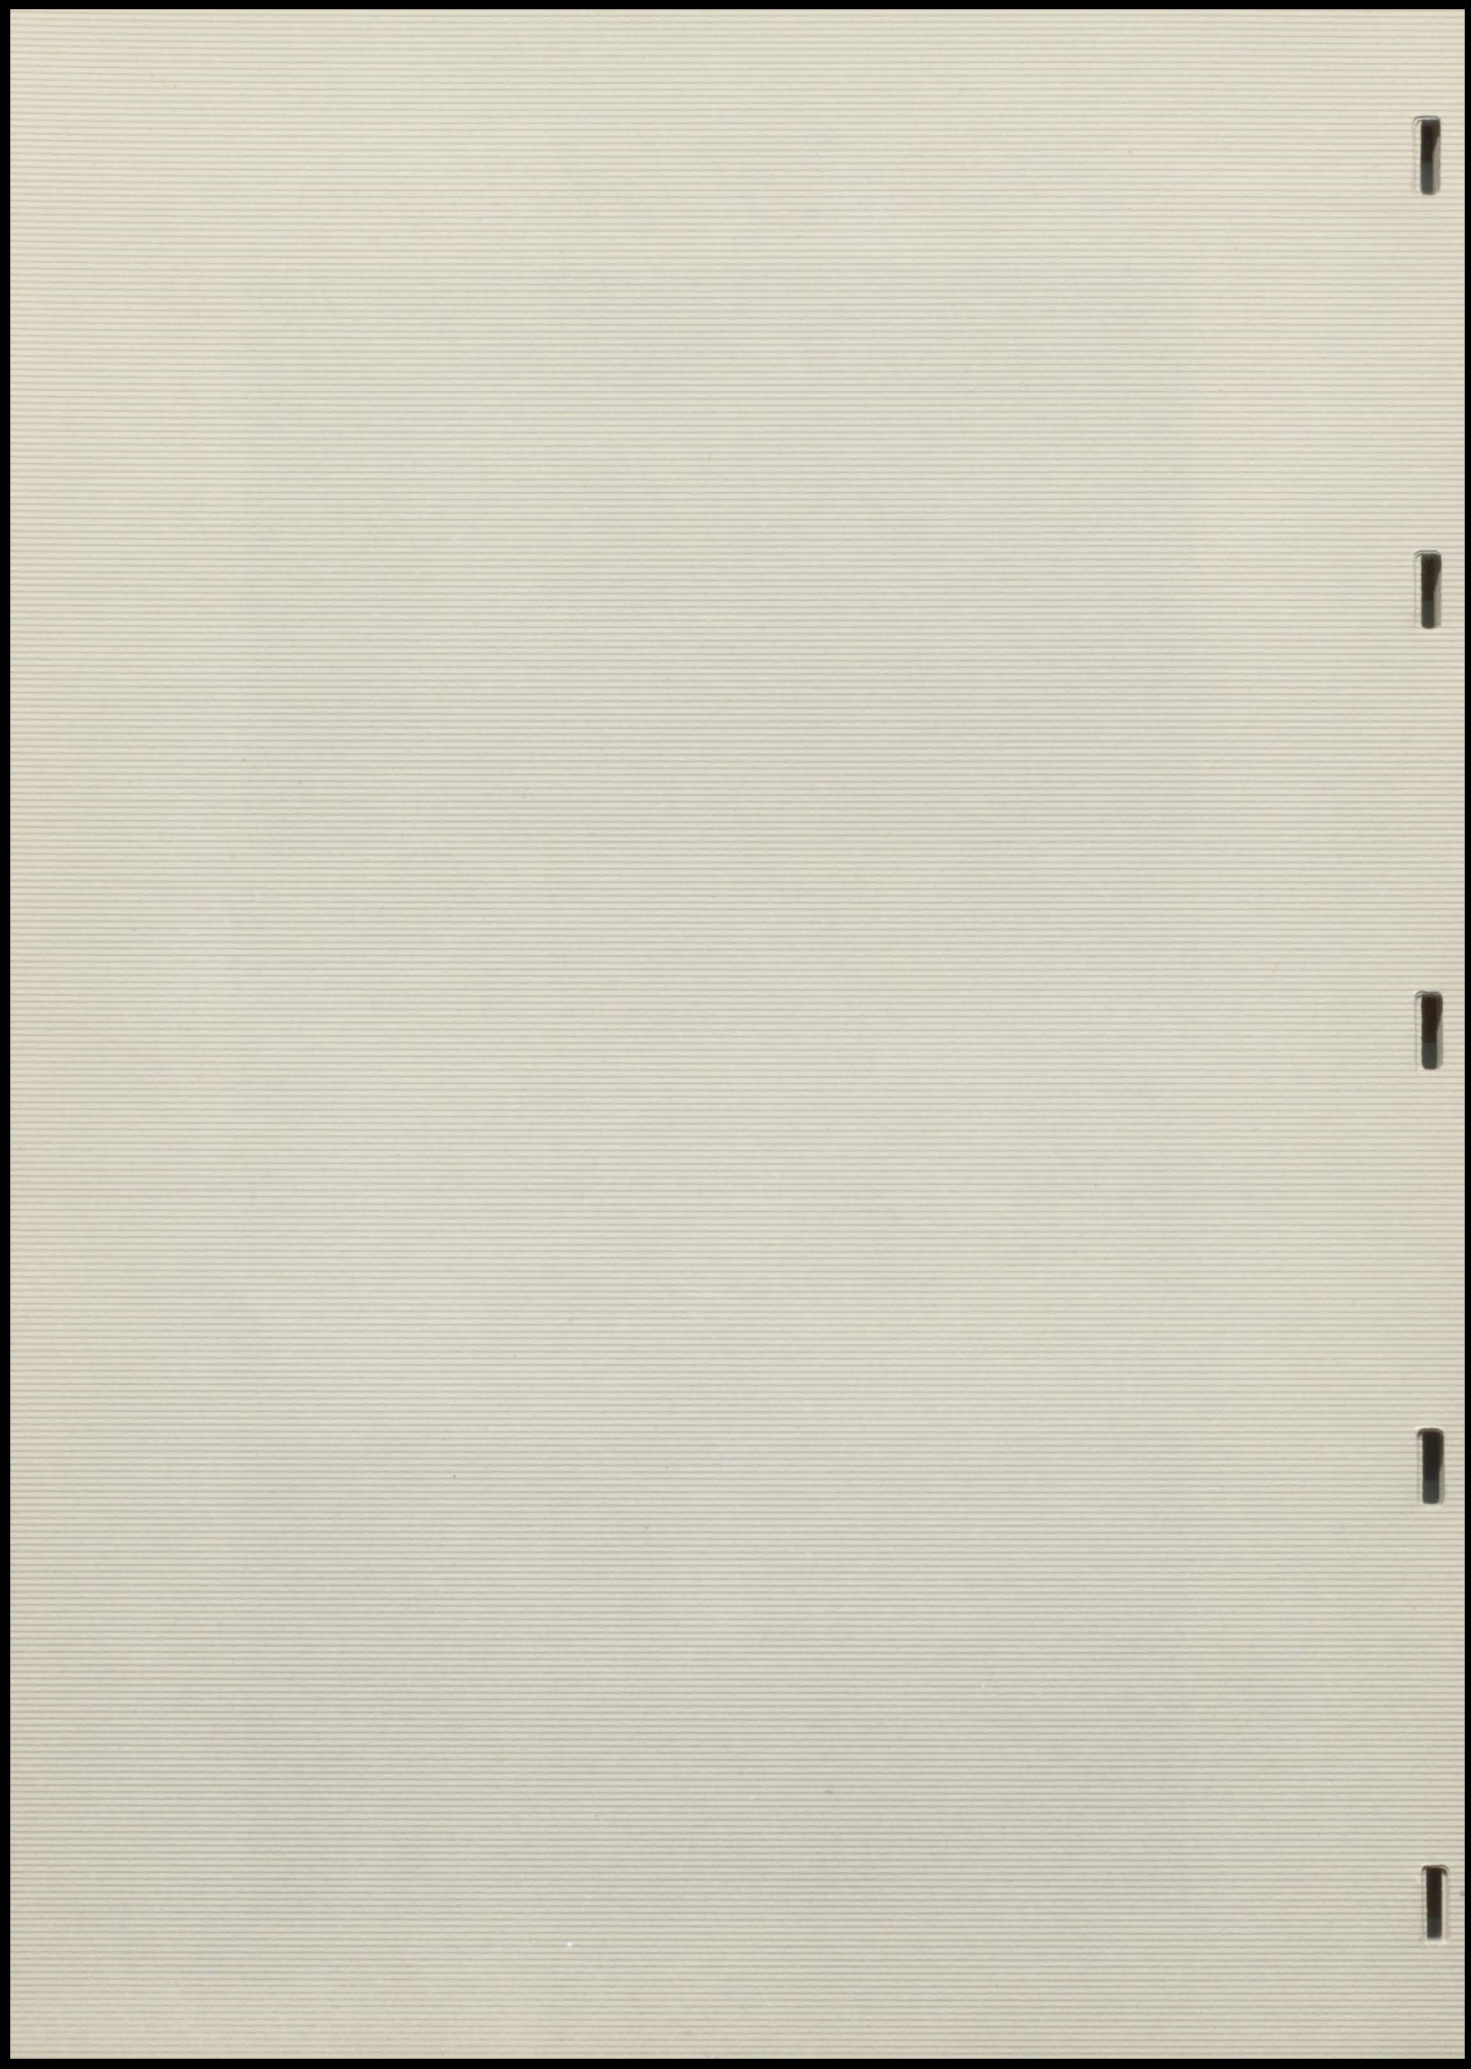

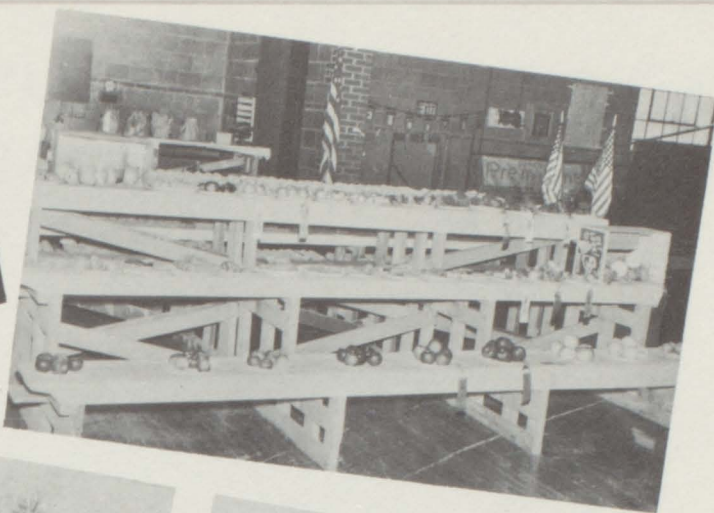

The Future Farmers of America is an organization for farm boys and those interested in farm work. There are forty-seven active members, four honorary members and three associate members. The officers for this year are Robert Garner, President; Jim Hungerford, Vice-president; Bill McEvoy, Secretary; Duane Mangold, Treasurer; Louis Coleman, Reporter; John Heffernen, Sentinel and Mr. Branch, the advisor.

This year the F.F.A. chapter entered contest work and did very well. At the Sub-district the chapter entered four different contests, Public speaking, Extemporaneous speaking, Parliamentary procedure team, and the Creed speaking. Bill Klima competed in the public speaking and won gold. Duane Mangold, Extemporaneous speaking gold, the Parliamentary procedure team, bronze and Creed speaking, Arnold Baldwin, Bronze. The gold winners then competed in the district. They were Bill Klima and Duane Mangold and won gold. At this contest we entered the program of work, given by Keith Peyton and C.J. Robinson which won gold and will go on to the state.

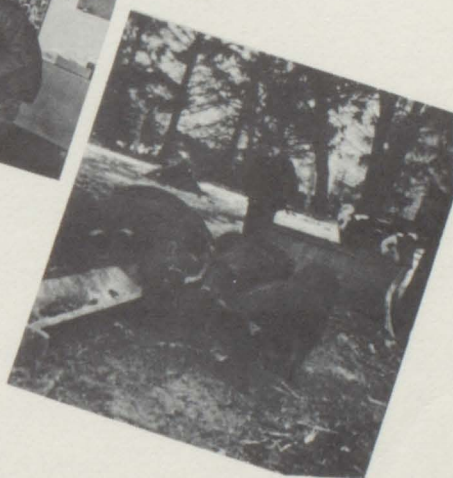

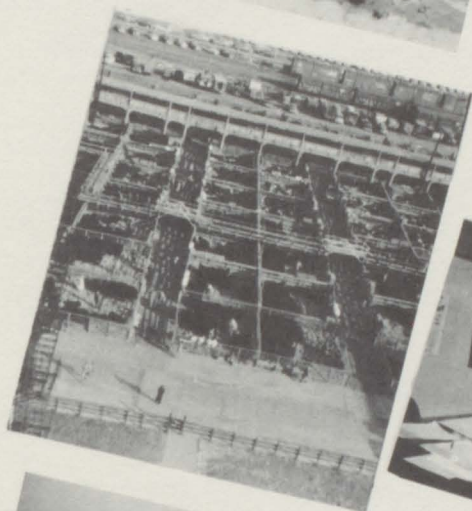

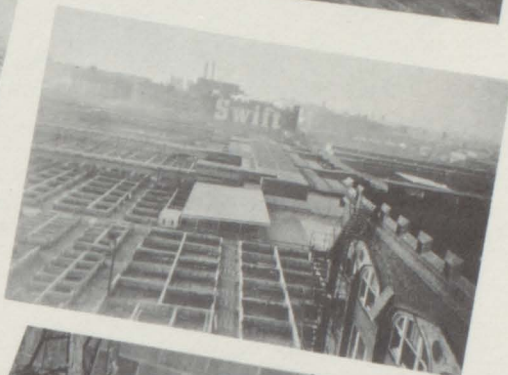

The F.F.A. has been expanding in its projects and we hope that it will continue as the years go.

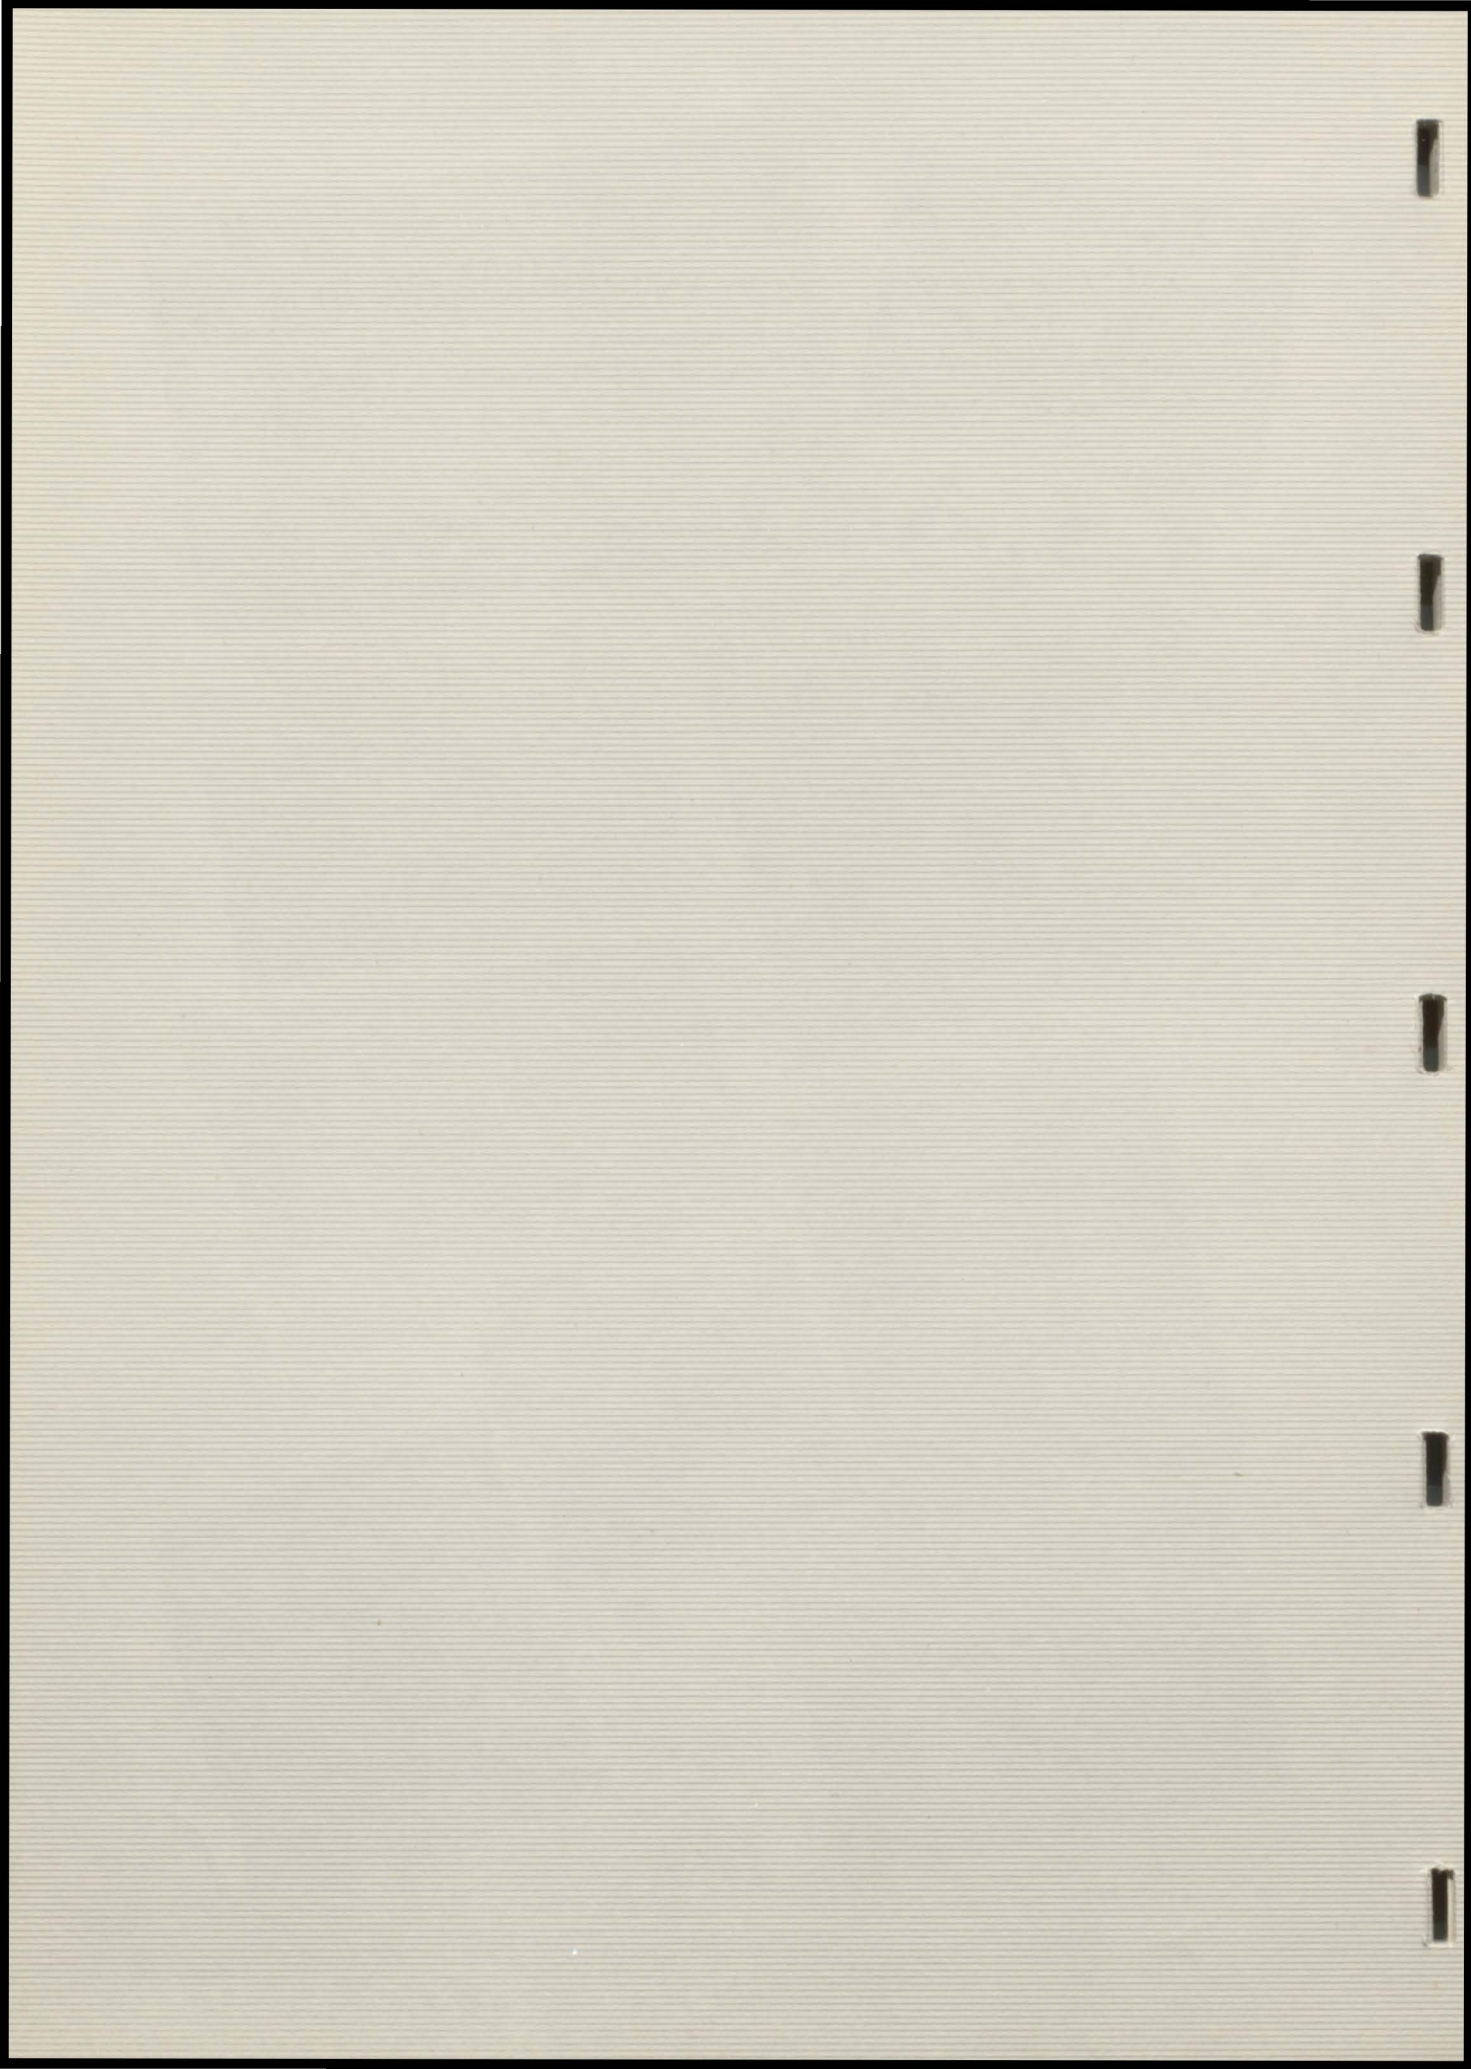

- F. F. A. -

FUTURE HOMEMAKERS OF AMERICA

The Coggon Future Homemakers of America Chapter is composed of 73 members and their adviser, Mrs. Van Coleman. The presiding officers are: President-JoAnne Kintzle: Vice-President-Norma Halstead: Secretary-Dona Price: Treasurer-Viola Wall: Reporter-JoAnna Henderson: Project Chairman-Mary Cooper: Parliamentarian-Virginia Woods: Recreation Chairman-Kay Smith: Historian-Dolores Marek: Song leaders-Patsy Nesley, Janet Hill, Rosemary Hildebrand and Norma Price.

The F.H.A. Chapter is a self-supporting club, obtaining funds from the members' dues and money-making projects such as the "Kozy Korner" food stand operated at the school carnival. One of the projects carried out by the members was making Christmas favors for the children's ward at Iowa City's University Hospital.

Every year, freshman members and new members coming into the chapter are initiated at a party.

The chapter was represented at the annual district meeting at McKinley High School in Cedar Rapids this year by 23 of the F.H.A. girls.

An all-high school Valentines Party sponsored by the F.H.A. was perhaps the most successful school party held during the year.

F.H.A. girls received their Junior Homemaker Degrees. The symbol of the degree, the key, was given each girl at an evening party after all girls had earned them.

Mrs. Coleman, JoAnna Henderson, and Norma Halstead were chosen to represent the Coggon chapter at the State F.H.A. Convention held in Des Moines March 5, 6, and 7.

Senior Band

At the beginning of the 1952-53 school year, the music department greeted a new instructor, Mr. Q.D. Miskell. We soon learned that Mr. Miskell is a very ambitious man. The band's first undertaking was entering the marching band contest at Fairfield in October, at which we received a Division II rating.

The Christmas program was canceled because of a severe ice storm.

The Mixed chorus and girls' glee club participated in the county Music Festival which was held in the Alburnett school March 11. Mary Alice Mills was one of the two accompanists for the Massed chorus of 325 boys and girls.

Contest entrants in the Solo and Ensemble contest gave a recital on March 27, prior to the contest on April 10 and 11 at Manchester.

State contest for band, mixed chorus and glee clubs is at Tripoli on May 1 and 2.

The marching band will participate in the Eastern Iowa Band Festival in Cedar Rapids on May 23. Our candidate for Queen is Lois Reeves.

Basketball Team

Twenty boys greeted Mr. Fenton for beginning of basketball season. The squad lacked experience and consisted of many sophomores.

Three regulars were missing from last year's squad. A lack of height proved very costly as our tallest man, Bob Garner, was only six feet tall.

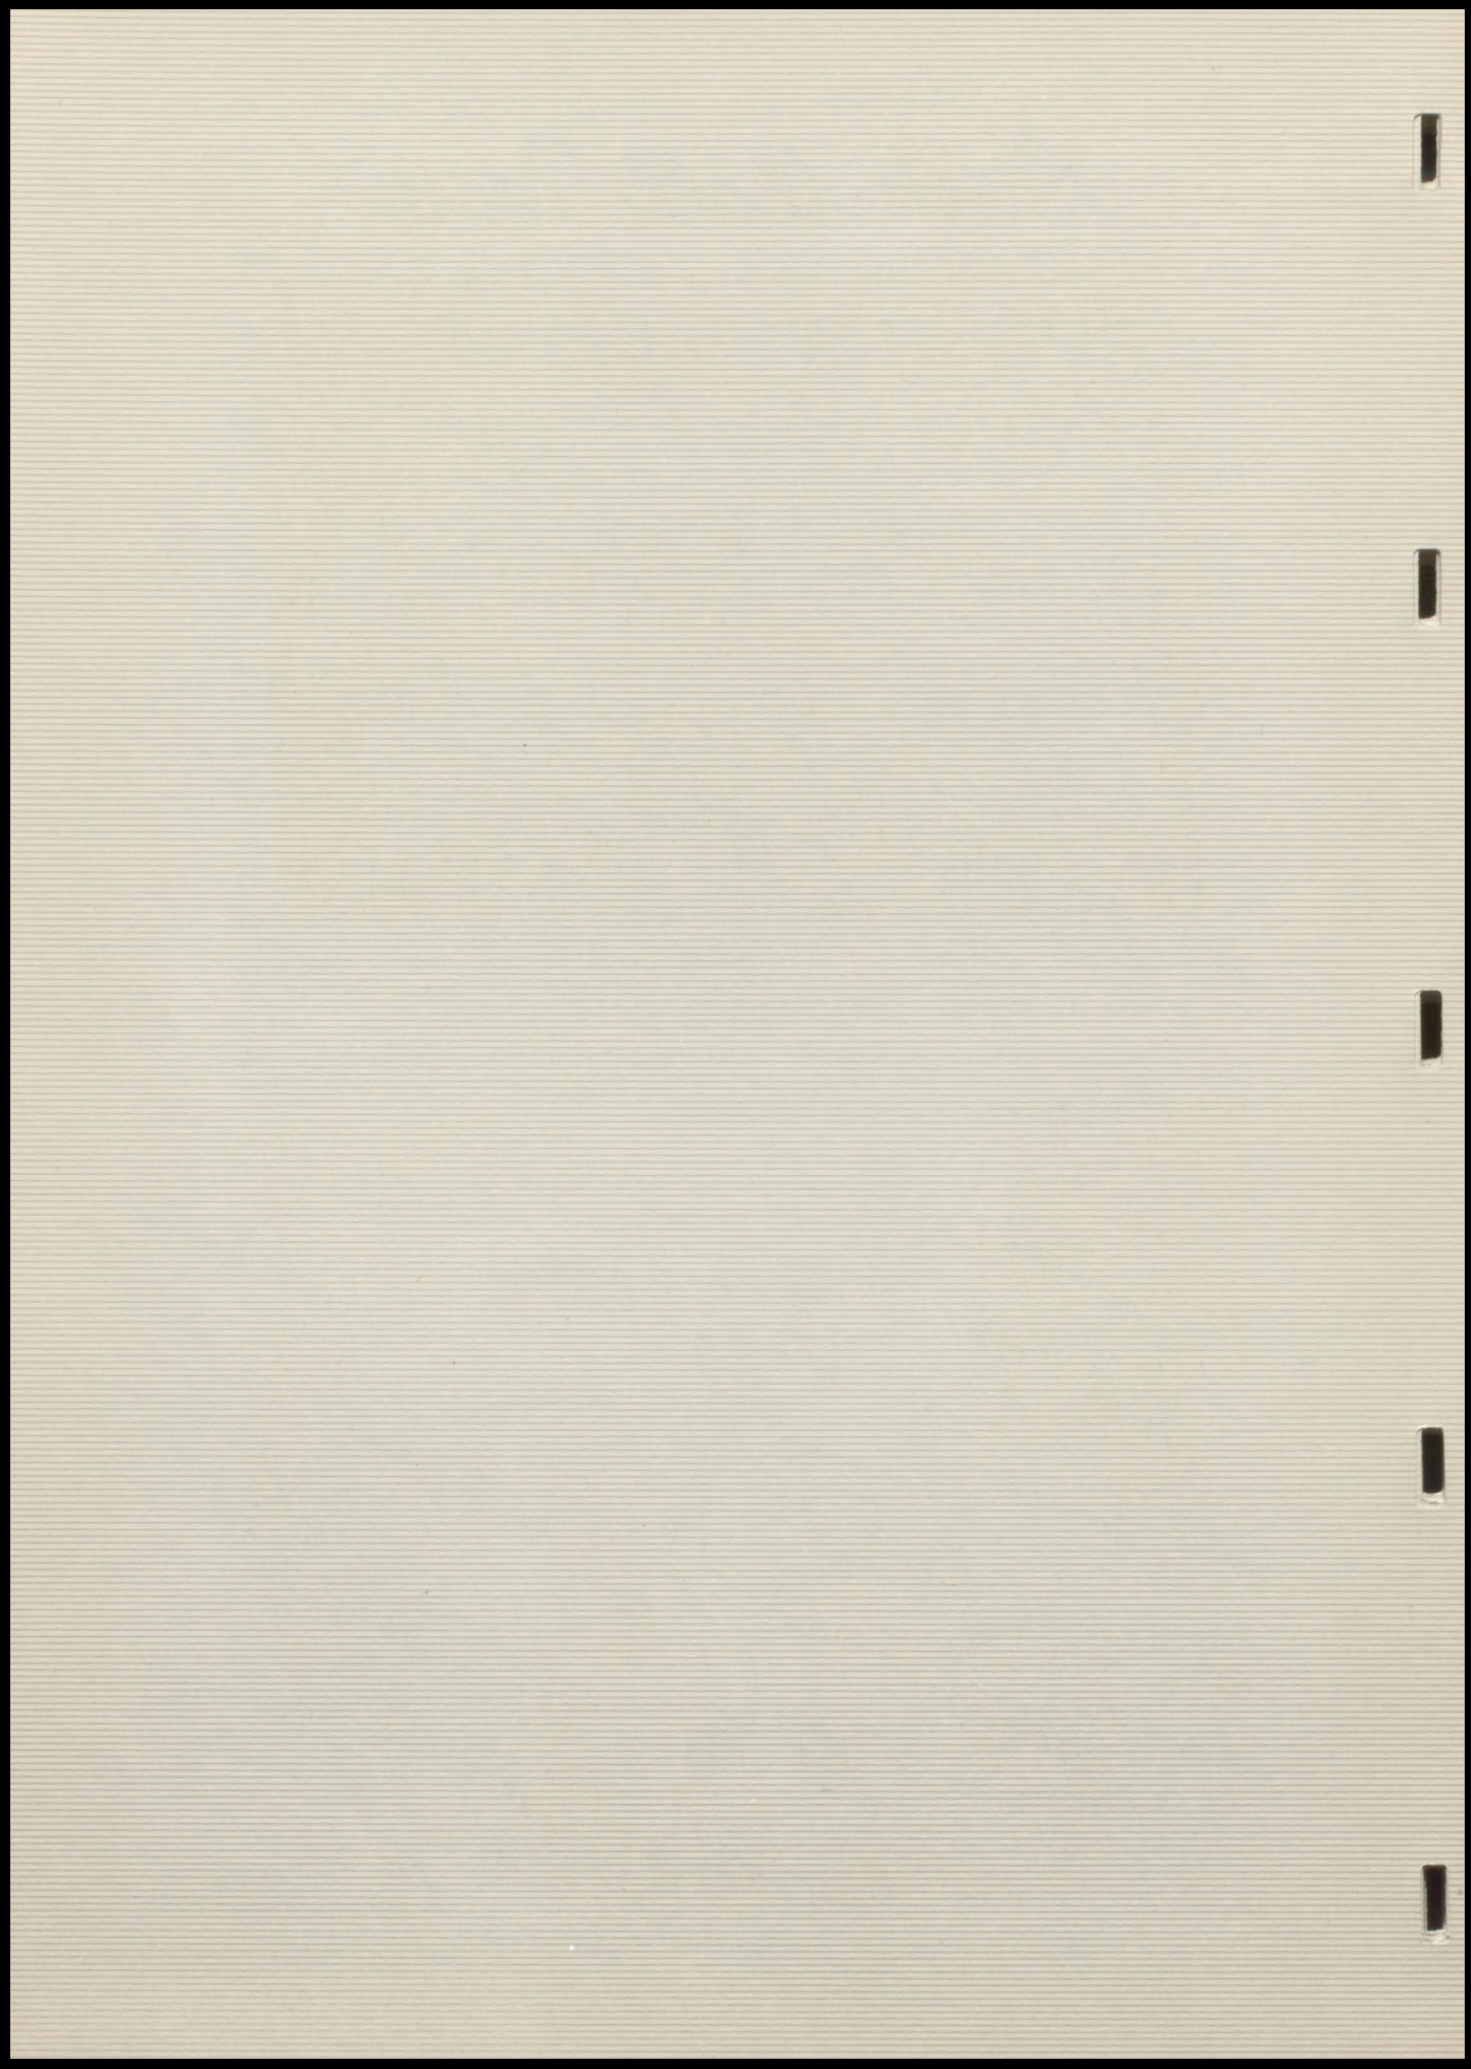

Tough breaks seemed to encounter the team all season. One of the first team substitutes, Stan Jossie, broke his wrist. C. J. Robinson our high scorer became ill, and was out for the rest of the season.

One of our better games was played against Tiffin when the boys annexed their first victory 62 to 49. The Rockets lost a close one to Central City 45 to 51. Coggon had held a half time lead but lost the game in the closing minutes of action. The Rockets were waylaid in the sectional by powerful Springville 70-29.

The seniors on the team were, Jim Woods, who played first team for three years at C.H.S. Jim, better known as "Woodie" to the people of Coggon was always in there fighting and doing a fine job of bringing the ball down the court. Robert Garner, the height of the team, towered at center. Bob was outstanding in his skill to fake. His ability to maneuver his guard out of position will long be remembered by the Rockets fans. Ball-hawk Jim Hungerford was a constant threat to the opponents, with his capability to clear the boards, both offensively and defensively. Jim served his team both as guard and as forward. Last but not least, is our "never say die" manager Keith Peyton. Keith was always ready with a helping hand and an encouraging smile. Others on the squad were juniors; Stan Jossie, Don Johnston, and Don Ashby. Sophomores; Bill Woods, Serge Sisler, Jerry Redeker, Jerry Sweet, C.J. Robinson, Carl DeWoody and Dale William. Freshman; Don Eiler, Jim McDowell, Arnold Baldwin, and Lonnie Porter.

A better record next year is anticipated as only three boys are lost from the squad. Mr. Fenton has built up a reserve team and with a little experience will be mighty tough.

Girls Basketball

The Rockettes of 52-53 is a team, which will long stand out in the history of Coggon. Greater teams have passed out the doors of C.H.S., but few with greater spirit, teamwork, and all around good sportsmanship. The team this past season was complimented as to their sportsmanship, not only by the Coggon fans, but by visiting teams, coaches, and officials. Many of us forget the meaning of school sports, to emphasize sportsmanship.

The county tournament found the Rockettes losing to Palo by one point 44-45 in the finals. In reaching the finals Coggon knocked out two bitter rivals, Walker and Central City, each by the score 50-42. For the eleventh consecutive year Coggon won the sectional tournament. The fighting green and white conquered the Delaware County Conference Champs, Dundee, and the Wildcats of Central City to earn the right to meet Rowley in the finals. This was the fourth defeat Coggon handed Central City this season. In the final game, Coggon took a landslide decision from Rowley 56-31, allowing our opponents but four fieldgoals. Coggon came within five points of becoming one of the sixteen state finalist. Downing Center Point in the first round of the district 40-15, Coggon fell in the final game 36-41 to a taller Lost Nation crew.

The best offensive game of the season was the Tiffin game when the forwards, Joanna Henderson, Virginia Woods, Kay Smith and Shirley Beiderman netted 75 points. Jo collected 32 points and Ginny 30, to lead the attack. Other forwards on the squad are Lois Ann Reeves and Beverly Falconer. The Coggon-Center Point game in the Northeast district tournament will long be remembered for the outstanding defensive playing on the part of Coggon. The Coggon guards, Phyllis Garner, Viola Wall, and Lois Falconer held the Center Point team to three field goals. This set a record, the least number of fieldgoals allowed a team in district competition. Donna Sweet, Mary Alice Mills and Phyllis Price aided in the victory.

Coach Jack Grant's team closed the season with the record 20 wins, 6 losses. Four seniors, all outstanding players, long to be remembered in the community, ended their basketball careers. They are: Virginia Woods, Viola Wall, Donna Sweet, and Mary Alice Mills.

We are proud of our cheering section and cheerleaders. C.H.S. was fortunate enough to have a good group of cheerleaders and a well organized pep band who add enthusiasm to any sport. They showed up at every game and without a doubt did a lot for the morals of the gals and fellows on the teams. The cheerleaders this year included a two year veteran senior, Shirley Hill, three juniors Patsy Nesley and Elsie Annis serving their second year, Geraldine Zumbrunan, a third year cheerleader, Sophomores Janice Price and Claudine Falconer served as reserves.

Third row Mr. Ed Fenton (coach), Robert Garner Don Ashby, Ronnie Coleman, Jerry Redeker, Melvin Spinler, Richard Fisher, Tom Britt, Jim Woods.

The Rockets finished up the fall baseball season with a record of four wins and three losses. No experienced pitchers were on hand to start the season; but the new crop of hurlers showed much promise. Coggon smashed Ryan in the season's opener 14 to 2, to get off to a good start. Two of Coggon's defeats came at the hands of Central City 11 to 3 and 6 to 2 in the Sectional Tourney. With six straight hits in the first inning Coggon trounced Troy Mills 15 to 4. The most exciting game of the fall season came when Redeker of Coggon and Diggman of Hopkinton hooked up in a brilliant duel. Coggon came out on top 2 to 11 when J. Woods doubled, "Kick" Robinson singled, and J. Hungerford doubled home the winning run in the last of the sixth inning.

The year 1953 finds the seventh and eighth grade students an industrious group.

The eighth grade home room teacher is Miss Lindahl. There are twenty-eight eighth grade students. Miss Lindahl has their Spelling, Literature, English, and Writing. Mr. Hanlon has Arithmetic, Geography, Science, and Iowa History.

Mr. Miskell has both seventh and eighth grade music classes. Miss Lindahl and Mr. Hanlon have the Physical Education classes.

A large number of the students are in the Junior-high activities. The activities are junior band and basket-ball.
