This year three concerts (fall, winter, and spring) were presented by the music department. Each year the department has exchange programs with neighboring schools. Small groups from our department have made about 15 appearances in the community.

A picked group from the mixed chorus went caroling at Christmas. One vocal quartet went to Des Moines to sing in the state choir during Thanksgiving vacation. Mixed chorus and boys' glee took part in the county vocal festival in March at Central City.

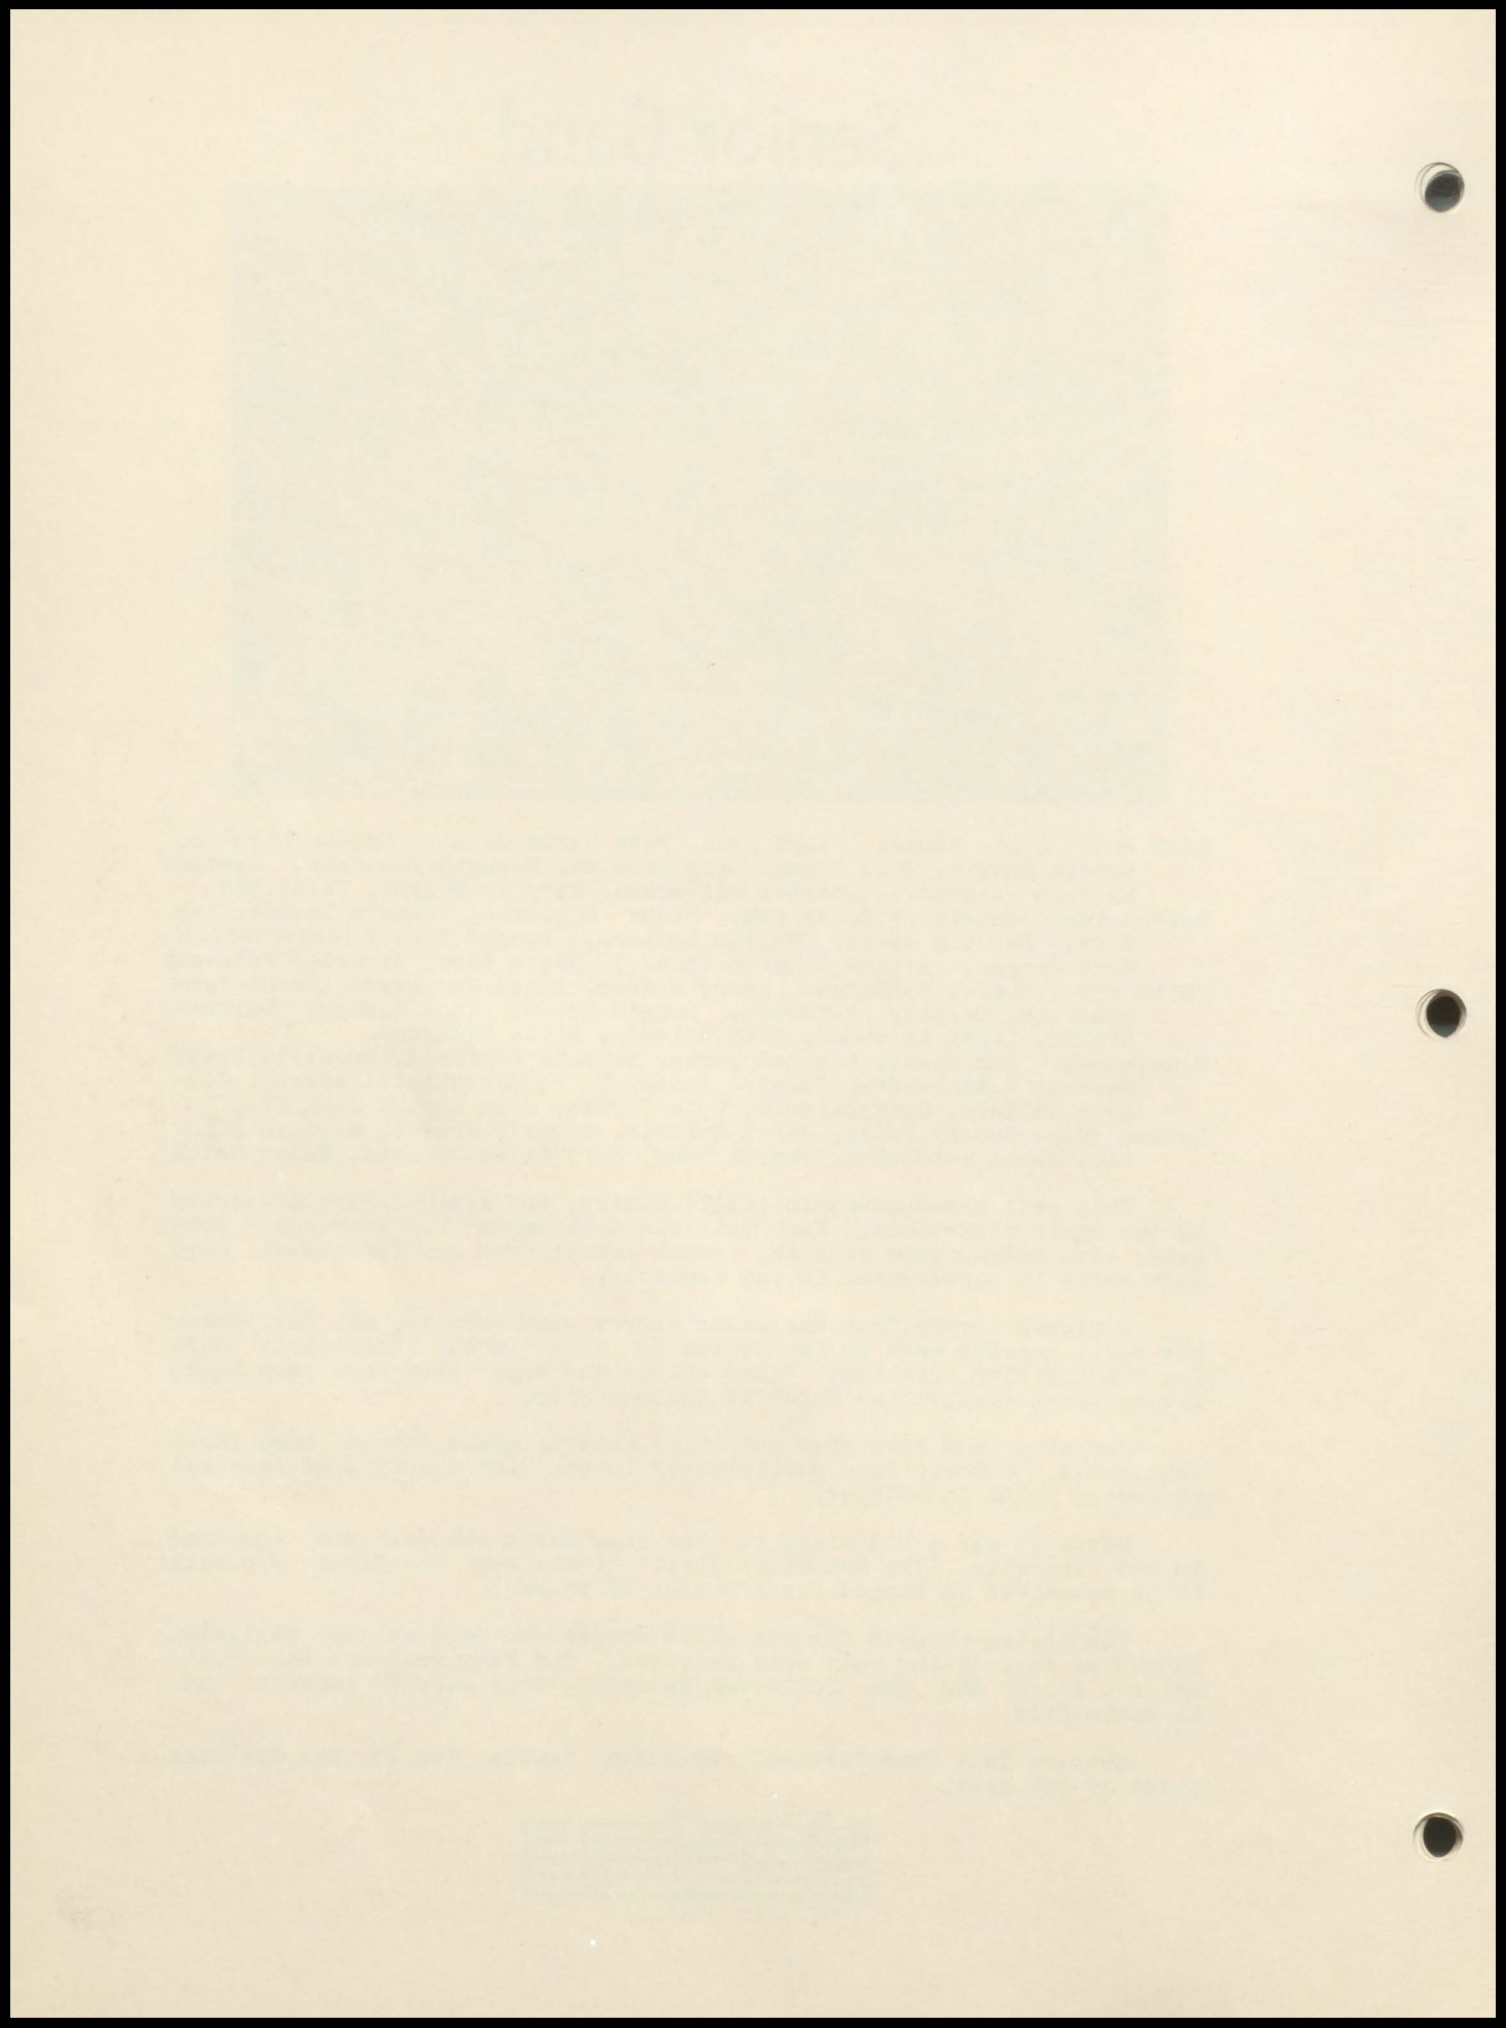

Marching band furnished half-time entertainment for the home football games. Concert band participated in the Linn County band festival at Center Point in October.

March 23 was a big night for the many music students who appeared in the operetta, "The Sunbonnet Girl." (This was the first operetta to be presented in Coggon for a number of years.)

The Easter program for the mixed chorus was held at the Christian church as part of the Holy week services. The next week was the recital for solos; and the following Saturday, they entered contest at La Porte City.

Eastern Iowa Band Festival in Cedar Rapids, May 19, was the last event of the year.
