May 1965

Dear Mrs. French,

During our years at Coggon Community School, struggling with reading, writing, and arithmetic, and later with English, Spanish, and speech, we found you a constant inspiration.

You were always willing to take time from your demanding schedule to answer our innumerable questions.

Your personality in understanding made our troubles seem small.

We, the Class of 1965, respectfully dedicate to you our yearbook.

Sincerely,

Staff--1965 Rocket

A Tribute to the Superintendent and School Board

Congratulations, seniors of 1965. You have successfully completed your first step in the long stairway to your future. You are on the threshold of adulthood, and ultimately many responsibilities. May I encourage you to wear your newly acquired liabilities with great humility. It has been a pleasure to be associated with you the past two years. You are a group of fine young people. I wish you all success and happiness. May I leave with you, one thought: "Do unto others as though you were the others."

The record this year didn't come out as tremendously as was hoped, possibly from the fact that there was only 1 Senior on the traveling team. The seasons' record was 4 won and 11 lost, with the girls holding 4th place in the conference.

They were defeated by Maquoketa Valley in the sectional tournament. Bonnie Holub and Karla Henderson represented Coggon in the free throw contest.

Karla also was given as Honorable Mention on the All-State Team.

The record this year was 5 wins and 12 losses.

The sectional tournament this year saw Coggon losing to the conference champs, Springville.

The team consisted of 2 Seniors, 4 Juniors, 7 Sophomores, and 7 Freshmen.

The Coggon track team had one of its most successful seasons in years. Tom Knott and Jeff Ellis, the two seniors on the team, gathered many points with their skills in the dash. Our squad of 14 boys were well balanced in scoring points which made it a contender in every meet.

The Rockets finished eighth in the Bulldog Relays at Monnona, with Steve Henderson and Tom Knott finishing 1st and 2nd respectively in the high jump, and Randy Shackelford broad-jumping 17'6" to place third. In the Pinicon meet our high jumpers were one-two again with Tom setting a record jump of 5' 11 3/8", and Randy broad-jumping 18'. Our next meet, the All-Ac, was nearly ours by placing a winning 2 mile relay team on the track for the first time and a fine performance by Tom Knott and Dave Henderson.

In the District meet at Cedar Falls, the Rockets qualified three boys for the State Meet. Our jumpers, Tom and Steve, came through again one and two, and Dave Henderson placed 3rd in the mile run with a good time of 4:48.

In the Wildcat Track Meet at Central City, Dave was a stand-out in anchoring our 2 mile relay team, winning the mile run, and running on our mile medley which won first.

Tom Knott placed 2nd in the Class C high jump in Des Moines with a jump of 5' 11" equal to the winner but had one more miss. Our 880 and 440 relay teams were strong all season and our mile relay team, the hayshakers, placed sixth in the District in a field of 17 teams.

We'll take on anyone!

Prom

ROMAN HOLIDAY

"Roman Holiday" was the theme for the 1965 Junior-Senior Banquet and Prom which was held on Saturday Evening, April 24th, 1965, in the gymnasium of the Coggon Community School.

The theme was carried out by the setting, the decorations, and the atmosphere. Deep purple and white streamers were draped in such a manner as to give a lowered ceiling effect. Four white columns on each side of the gymnasium trimmed in gold leaves, plus bird baths and sundials helped to bring about the appearance of a Roman corridor. At the far end of the imaginary hall hung the "tragedy and comedy" masks which originated from the early Roman plays.

The main feature of the setting was the centrally located water fountain from which water continually flowed throughout the evening.

Light lavender candles surrounded by angel-hair at the base and red roses were the table decorations.

It was believed to have been a very successful prom and a memorable occasion for everyone.

IMPORTANT EVENTS

The National Honor Society was reactivated this year. The object of this chapter is to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership and to encourage the development of the character in students of Coggon High School. Membership in this chapter is based upon Scholarship, Service, Leadership, and Character. The election of members to this chapter of the National Honor Society is made by a chapter council, consisting of the principal and four members of the faculty.

The Coggon Music Department was awarded nine Division I ratings at the State Music Contest held in Coggon. Those receiving I ratings were: Soloists: Dave Wittenburg, Kevin Dighton, Dwayne Miskell, and Mary Lou Schulte. Groups: Brass Sextet, Baritone Trio, Clarinet Trio, Clarinet Duet, and Double Mixed Quartet.

Some improvements made this year were: A library was added to the grade school, Dewey Decimel System was installed in the high school library, athletic field improvements, and improvements in the upstairs rooms.

December 1, 1964 the Coggon, Troy Mills, and Walker school districts voted and approved the reorganization to form the North-Linn School District.

Several classes discussing Sex Education were presented to the junior high and high school students during March.

The senior class heard Barry Goldwater speak on October 28, 1964 in Cedar Rapids during his presidential campaign. On May 18, 1965, the senior class ventured to Des Moines to visit the Capital and legislature.

Gary Rath, a senior, was honored for his high performance on the National Merit Scholarship Qualifying Test. Each student who is endorsed by his school receives a formal Letter of Commendation signed by his principal and the President of the Merit Corporation.

Larry Pillard was presented the James Arduser Award.

Joyce Wilgenbusch and Margaret O'Connor received Student Aid Scholarships. Joyce will attend State College of Iowa at Cedar Falls, and Margaret will attend Mt. Mercy in Cedar Rapids.

Hollis Hunter received the Naval Reserve Officers Training Corps appointment. Holly will attend Iowa State University at Ames. Selection in the NROTC Program is a highly sought after appointment. Very high standards are demanded in physical and mental requirements. The NROTC appointment has been a real honor for Holly to attain.

David Wittenburg was awarded the John Philip Sousa Award for the outstanding band member.
