# Presents 1968-69 School Activities

## From the Crowd

Every crowd, every group of people, whatever reason for existing is composed of individuals. When you have broken down to the last factor, you reach the human element. Strip away all the facades of group-identification and underneath you will find individuals. Each one is different, each one possesses worth, each one has a soul. We each have our desire, our own aims—hopes—goals—our own needs.

This is the purpose of North Linn High School and the reason for its existence—to serve us, not as a group, a mass, but as individuals, always striving to meet the needs of an many of us as possible—always striving to develop distinct individualities.

Yet often we betray ourselves and the purposes of our institutions by allowing ourselves to be molded into patterns. We lose ourselves in the Crowd—we try to cover up and destroy our individuality. It is easy to do . . . . .

# Class of 1969

The Past Forever Gone

The Future Our Own . . . .

Class Flower - White Rose

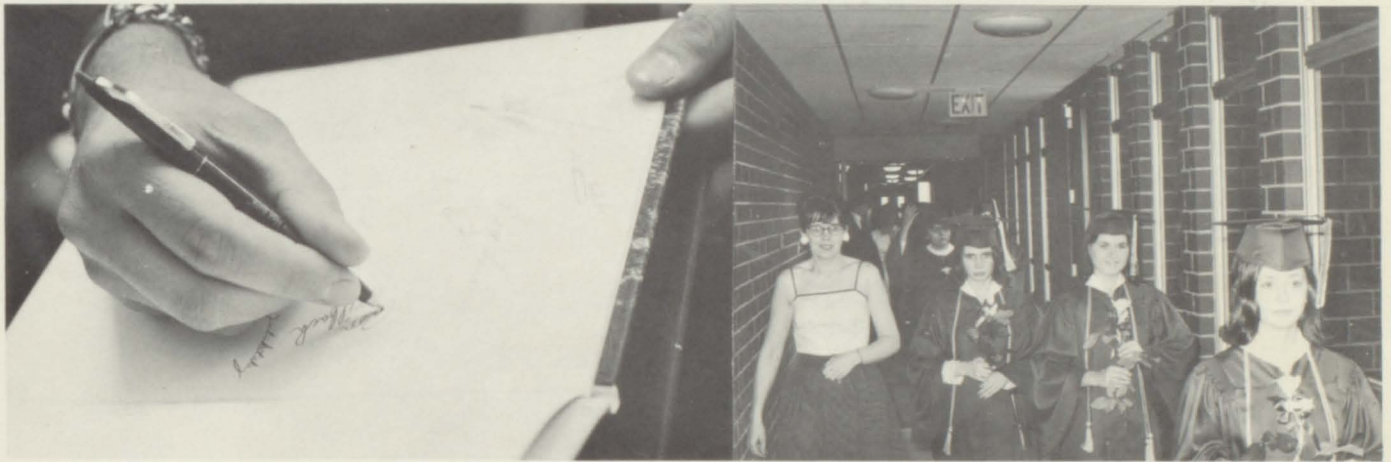

Class Colors - Burgundy and White

Baccalaureate Sunday May 25

Commencement Tuesday May 27

We were the last eighth grade class to graduate from the three separate schools and the first class to graduate in the new gymnasium. The Class of 1969 has been very outstanding in music, dramatics, sports, and scholastics. Our student council representatives obtained a lounge for the seniors, during the last nine weeks of school. In April, the class spent a day in Des Moines touring the Capitol and the Police Station.

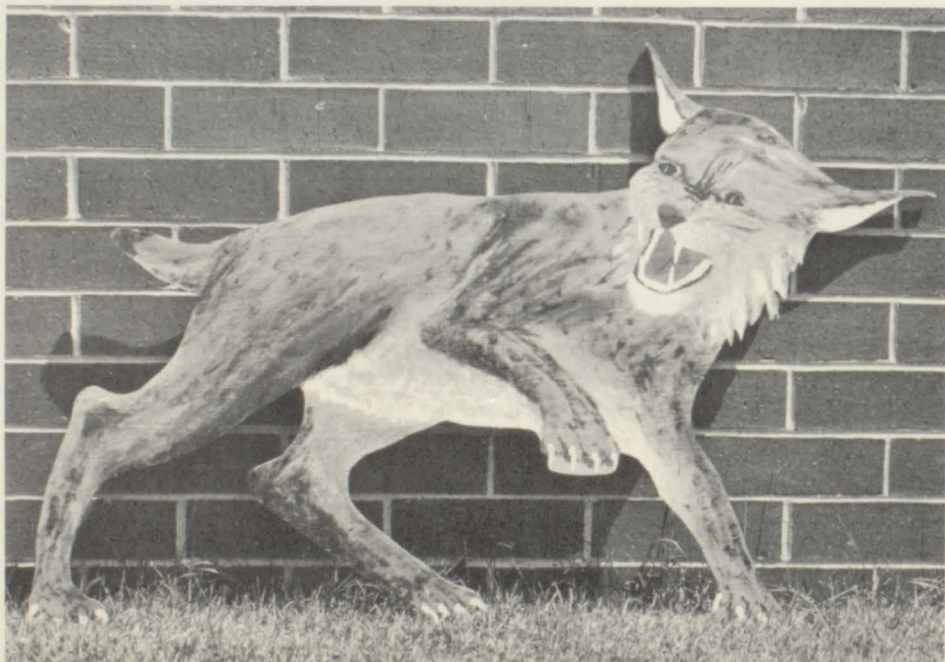

Now the Class of 69 is graduated and though we journey far apart, a part of every heart will linger in the halls of North Linn.

Graduation . . . a time for joy, a time for tears, a day we'll remember through all the years. Four years ago this day seemed like it would never come. Yet, it has come and gone away. Only the memories exist.

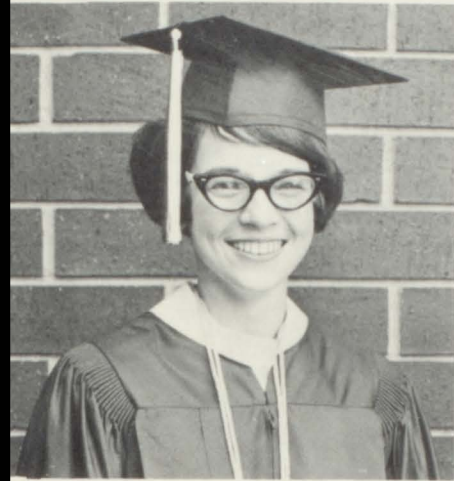

Rick Ellis, President of the Class of 69, presented the Lynx to the school. This Lynx is to serve as an inspiration to all North Linn Students. Alan Zumbach, a member of the Class of 69, drew and painted the Lynx.

Reverend Ralph Schenck was the speaker for Commencement.

Eileen Voss, salutatorian, gave a very inspirational speech.  
Russel Wegner was presented the Iowa Bar Award.

Dawn Mangold, Patty Chrystal, Bruce Smith, Cindi Chrystal, Wendy Thomson, and Mary Jo Gruca were presented Iowa Scholarships, based upon their ACT Test scores and high school academic records.

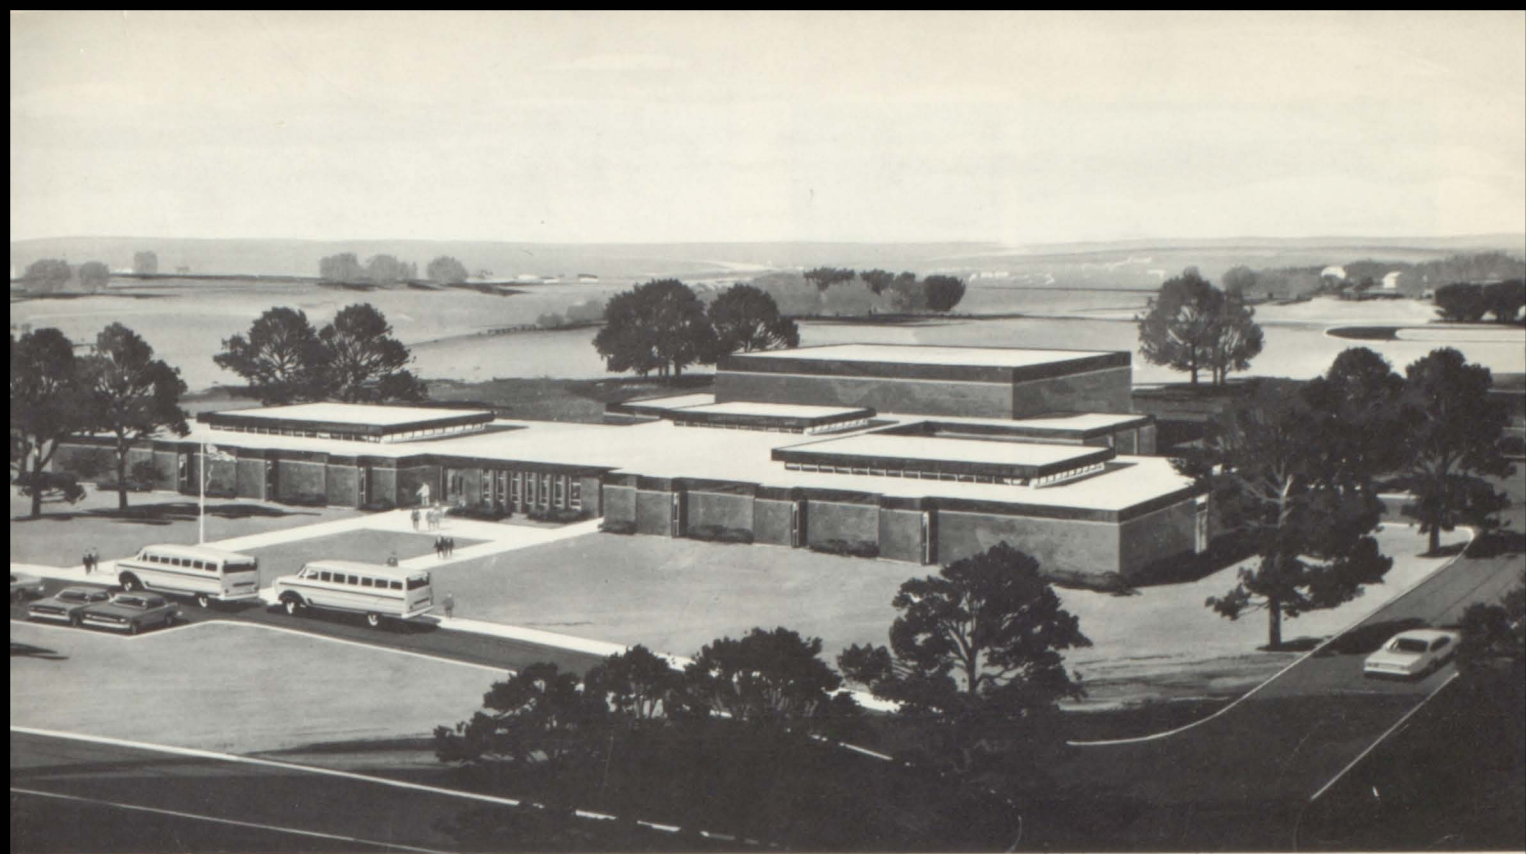

CONGRATUALTIONS!!!
