

V4 VALUATION SET UP

The Institute of Assessing Officers, affiliated with the New York State Assessors Association, presents a one-day seminar via Zoom.

9:00 a.m. – 4:00 p.m., Wednesday, August 31, 2022

This is an online class. A link to the presentation will be emailed to all registrants before August 31.

You must have a camera and microphone on your device to register for this class. The camera must be on at all times during the class. If you register and attend and do not have a microphone and camera, you will not receive credit and no refund will be given.

Instructor – Teri Ross, IAO

This course is designed for both new and seasoned professionals who would like a deeper understanding of the valuation setup with the RPSv4 system. From start to finish, this course will cover all facets of doing project set-up. Starting with developing trend tables, to importing and updating land tables to setting up the cost and comparable assessment utility, attendees will learn how to create or update these various components. Finally, creating and maintaining the project table will be covered. At the conclusion, students will have a deeper understanding of the work that goes on behind the scenes of the V4 valuation module.
