THE NEW YORK STATE ASSESSORS ASSOCIATION ANNUAL MEETING AND FALL CONFERENCE

is the premier event for you to meet and interact with more than 200 assessment professionals and their staff from across New York State! This hybrid event—with both in person and online attendees—extends your reach beyond Lake George—across the state! Customize your presence for maximized benefits before, during, and after the event!

Why Exhibit?

Whether you're a first-time exhibitor or an old pro, NYSAA will help you develop new contacts and generate leads.

NYSAA offers two ways to extend your reach—in person and online! In addition to speaking with in-person attendees, exhibitors will be able to upload a video and marketing materials, and make appointments with online attendees for virtual networking!

Exhibit space is 10'x10', and exhibitors will need to provide their own signage. The Exhibit Hall will not be locked during off hours, so please plan accordingly. Electric (if requested) and wifi are included.

To reserve an exhibitor booth, please fill out and return the form on page 4. After we receive your form, we will send you details about exhibiting in person and online.
