

PREPARATION FOR BAR & SCAR

The Institute of Assessing Officers, affiliated with the New York State Assessors Association, presents a one-day seminar via Webex.

9:00 a.m. – 4:00 p.m., Wednesday, May 5, 2021

This is an online class. A link to the presentation will be emailed to all registrants before May 5.

Instructor – William Purtell, IAO

This seminar will cover the procedures, issues, and tactics regarding the grievance process and the small claims assessment review process. Topics include grievance hearing procedures, demands for information, "willful failure to cooperate," SCAR hearing procedures, strategies for assessors, evidence and testimony at SCAR hearings, obligations of the SCAR hearing officer, and how to effectively review appraisal reports submitted by the petitioners. With this foundation, the assessor will be more prepared to defend against frivolous SCAR petitions or, if appropriate, to negotiate settlements that are fair to both parties.
