## COMPANY BIO

Trust Roofing LLC is a Roofing Company that has been in service since 2021. Tarone Hill has over 10 years of experience in roofing and worked as a quality roof installer in Jacksonville FL. Since relocating to Locust Grove, GA where he and his wife Unique Hill, formed their own company and began to dominate in roofing sales. They realized there was a growing need for quality roofing installation and roofing contractors that will perform with integrity. After opening Trust Roofing and becoming accredited with the Better Business Bureau, Tarone Hill also became OSHA certified. Since then, Trust Roofing has provided Locust Grove and its surrounding counties with exceptional services and built longstanding relationships with clients beyond just their roof.

## DIFFERENTIATORS

Trust Roofing, LLC offers our clients unmatched warranties and services. We go above and beyond after all installations to ensure customer satisfaction. We do periodic inspections for 6 months after the project is complete. If there's a natural disaster, we reach out to customers to provide assistance if needed.
