OUR MISSION

To provide financial assistance to a worthy student from Pinkerton Academy and Norwich University that exemplifies the heart, passion and determination that Sean J. Moran showed on and off the ice or grid iron. Sean was a fearless competitor in sport and life. Those of us who played alongside Sean cherished him and those that played against Sean respected him. In sport and in life Sean excelled in everything he did because of his dedication to friends and family. Our intention, therefore, is to select students that show that same passion for family, friends and sport.
