Having understood the risk of participation and particularly the risk inherent in sport, **I voluntarily assume and accept these risks as they have been explained above in perpetuity for all FFC events from this date forward.** I realize that the coaches, administrators, trainers, referees, and FFC personnel will do those things necessary to reduce the risk of injury. However, I realize and accept that these measures will not prevent all injuries to myself, to other participants, and/or to spectators. I also accept the responsibility in taking personal measure to help prevent injury to myself, to other participants, and/or to other spectators by notifying coaches, trainers, referees, or other FFC personnel of conditions that I am aware of that may predispose me or other participants to an increased risk of injury resulting from participation.
