PRIVATE EVENT INFORMATION & POLICY

BEVERAGES: We will meet to discuss alcohol options.

1. The Client may bring in their own beer, malt beverages, wine, soda and water. Which would be considered an 'open bar' (no cash exchange and/or donation jar)

2. **For 2027.** FT will purchase beer, malt beverages (5% alcohol content) or wine under their liquor license. Different drink-pricing packages will be available during our meeting. One or more of our licensed bartenders are required to serve any beverages and they will always monitor the alcohol. ALL alcohol consumed on site needs to be served directly from the bar by one of FT bartenders. We will work with the client to determine the number of bartenders required to serve the number of expected guests.

NO HARD LIQUOR ALCOHOL ON PREMISIS at ANY TIME and NO CARRY-INS ON THE PROPERTY OR IN VEHICLES.

We do not provide table-side or ceremony beverage services; alcohol will only be available at the bar.

ABSOLUTLY NO illegal substances allowed on the property and any person under 21 is prohibited from drinking any alcoholic beverages. FT staff and our bartenders will ask anyone who is under the age of 25 for their ID. If FT finds a minor drink alcohol, they will be asked to leave the premises. If any illegal substances are found on the premises, the users will be asked to leave the event.

If the CLIENT plans on Designated drivers or a shuttle service, these need to be posted at the bar. Please keep in mind, at the end of the evening, it is illegal in Wisconsin to have any open alcohol containers in a vehicle. ALL Alcohol will stop being served at 11:30pm.

- **Pets:** As pet lovers ourselves, to ensure a clean venue, kept grounds, safety and comfort to all your guests, we do not permit guests to bring pets to the venue, on the grounds, or to be left in their vehicles.
- **Music:** Music ends by 11:30pm and the amplified music cannot go over 90dB. Please keep this in mind when you speak to your DJ or Band. There are apps for them to keep track, and FT will also keep track. If the music goes over 90dB, the DJ or Band will be asked to turn the music down for respect of our neighbors. We will only ask once. If this is violated again, FT will require music to end.

Please bring bug spray and check for ticks after your event. FT will apply one application with natural granular mosquito repellent two days prior to the event. If you would like more days or extra applications, this will be the Clients' responsibility, or the Client can pay an extra \$50 per application of the granular repellent. Please remember depending on the severity of the Mosquitos, these applications do not take 100% of the mosquitoes and bugs away.
- **Children** must be always supervised due to our location and the historic items throughout the property and Barn. No climbing on any fencing, equipment, wagon wheels, etc. is allowed and children are not allowed in any buildings other than the loft of the barn, unless part of the wedding party as needed for getting ready and pictures.
- **Decorations:** Café lighting is strung throughout the loft along with back lighting in certain areas of the loft. Two white vintage buffets are available for use. The historical antique items placed high on the walls or above storage areas may not be removed, unless approved by FT. You can bring decorations for your tables, chairs, bar area and floor.
