## SPONSORSHIP FORM

Dear Friend,

Since 2019, the mission of the Staten Island Running Association has been to help and support the sport we all love. A very important group SIRA has always supported has been the youth running, track and field athletes of the borough through scholarships, laptop donations, and other ways. SIRA has always put the children first!

This tradition started back in November 2019 at the first ever Marathon Week Legends Dinner where EVERY ONE of the 75 youth athletes attending were generously sponsored to attend. The event gave Staten Island children a chance to mix and mingle with some of the sport's World-Class legends.

After a 2-year COVID hiatus, our Marathon Week Legends Dinner is returning once again. And our youth need your support more than ever!

Please consider our humble request to once again give our youth an opportunity to rub elbows with Olympic, World, Track and Marathon Champions! SIRA is always grateful for your contributions.
