## FROM THE DESK OF KATIE...

In February, the students celebrated Black History Month. They learned about black men and women inventors who have shaped our country along with the inspiring stories of black believers.

Ms. Shari works with our 3rd-5th graders and taught the kids about the Greensboro sit-ins and the Montgomery Bus Boycott. We have learned so much and are thankful for the people who have not only made our country better but have shared the gospel despite the hardships and setbacks they faced.

May we remember that we are all image bearers of God and that Jesus came for everyone!

Katie Program Director

## Join us this summer!
