

# HOPE AT THE BRICK HOUSE

*To see every family loved and cared for*

The picture below is the way our Summer program ended! On our last day, the kids shared the love of Jesus with their parents through song, their memory verses and presentations they had prepared. Katie did an incredible job leading both staff and students throughout the summer. 27 of 43 students memorized all six (long) bible verses and earned a visit to the trampoline park. We also had the opportunity to have numerous young people (who had participated in our programs in the past), serve as staff and volunteers. Our after school program is full and we begin again on Aug. 25th! Thank you for serving with us!

*This is the day  
the LORD has made;  
We will rejoice  
and be glad in it.  
Psalm 118:24.*

**Mission**  
Giving hope to individuals and families through spiritual, educational and community based support

From one of our faithful volunteers..... Cheryl Winger  
This summer we spent two weeks studying the life of Joseph. The older kids drew an illustration that shows part of the story of Joseph's life from the Old Testament. We were talking about how God is always faithful even when we can't see it. I was able to share how because of God's Word I can keep praying for family and friends that don't yet know Jesus even when I can't see anything happening for years. One of the boys in the older group shared that he also had family who didn't have a saving knowledge in relationship with Jesus. It was great for the kids to be able to open up and understand how we can pray and trust God, even when we don't see results right away.

**Save the date!**
