

FROM THE DESK OF
Katie

Merry Christmas to you all!

We are so thankful and grateful for each and every family who has walked through our doors this past year! We pray that they feel the love of Christ and desire to know Him!

Christmas brings about all kinds of emotions, from happiness and joy to sadness and loneliness. However you feel this Christmas season, know that you are so loved by Jesus and He wants nothing more than to have a relationship with you! Jesus is the Messiah we so desperately need and needed.

“That baby in the manger came as our ultimate substitute. Everything he would do, he would do on our behalf, for our salvation. The suffering of Jesus didn’t begin on the cross; it began in his straw bed and continued through to the cross, all for our redemption.” *Come Let Us Adore Him by Paul David Tripp*

May you drown out all the distractions of this world this Christmas season. Take the time to rejoice as the angels and worship as the shepherds did on that glorious night.

Merry Christmas and Happy New Year!!
You are all appreciated and loved!!!

Katie Garske, Program Director

We shared Advent with our kids: *coming* - preparing for the coming of Jesus—into the world and into our hearts. We “unwrapped” the names of Jesus: Hope, Love, Joy, & Peace. Our kids got to live out and experience opportunities to not just receive but to give. The City of Davenport asked our students to come light the tree in preparation for the Christmas season; Scott Co First Responders and volunteers assisted our kids at a shopping day sponsored by Target; Davenport Police and Evolution Tools sponsored “Cops & Cocoa”, allowing our kids to enjoy the beautiful Vandever Conservatory, and our kids sang for residents of Silvercrest at Garner Senior Living. Thank you for giving, serving, loving and caring for our ministry so that these opportunities are available. Pray for us as we begin a new year, seeking all that God has in store.

Joyce Klopp, Director
