Summer 2024 is coming to a close. Seeds of faith were planted in the lives of 43 students, by 11 staff and more than 15 other volunteers. We will highlight our summer in pictures next month. We were blessed to have "Jr staff" who attended our program as children and came back to serve in leadership this summer, as teens. Our Junior leaders (Amir, Clevontae, Cora, Isaac, Jaheim, Josiah, & Robin) were an awesome crew! Joyce

**CAUTION**  
**GOD'S WORK**  
**IN**  
**PROGRESS**

I recently joined a church *and* went to camp and felt a funny feeling inside. Well, I got saved. I love God and want to grow spiritually more. Christ is love and I have that in me. I'm a lot happier and I feel more refresh(ed) and better and *more* hope for tomorrow. *Josiah*

(Josiah attended our program as a child. He is a volunteer student helper this summer and is awesome with kids.)

**Building Addition Update!**

God has shown up time and time again as our contractors have done their best to give us the best in our new addition! Our original cost of \$600,000 came down to \$450,000. Paint was donated by Sherwin Williams and 18 painters from Campers on Mission will arrive this weekend to donate their time to do all the inside painting! That is only the beginning of God moments that have allowed us this new space. We still need \$100,000 to complete our addition this month and to prevent us from borrowing money. Please pray, give as God would lead, and we will celebrate with our kids after school opens August 23rd. An official Grand Opening will be forthcoming.
