

HOPE AT THE BRICK HOUSE

To see every family loved and cared for

Sixteen years ago, Mr. Cal took a grill, every Friday night, to the back alley to feed and chat with anyone who decided to stop by. As numbers grew, area church small groups and families offered to bring meals and neighborhood families were invited to come to "Family Night". Family Nights expanded to Block Parties in the summer.

On a rare occasion, when a group was not scheduled, Mr. Cal, again, would pull out the table top George Foreman grill and have hotdogs and hamburgers ready for the meal.

Mr. Cal passed away and will be greatly missed. We are grateful for the way he loved Jesus and served in many ways at the BRICK House. His life will be celebrated on October 25th at 11 a.m. at Grandview Baptist Church.

Building Relationships In Christ's Kingdom

SHINING A LIGHT ON

Volunteer - Cheryl Winger

Miss Cheryl has volunteered the past 6 summers assisting with both older and younger kids one day per week.

What's your favorite memory of volunteering?:

Every summer there are "light bulb moments" where you can see that a child is really grasping who Jesus is and that He loves them.

What is your favorite Bible story?

I love the whole story of Joseph's life throughout the Old Testament.

God took him through some valleys and we can learn SO MUCH from his life.

A couple fun facts about you?

I serve as the leader of Quest for Christ another organization like HBH. I love running and lifting weights. I have 4 kids.

When I talk to others about my volunteering, I say:

I love for people to know that the kids are fun, smart, energetic and have a hunger to know about Jesus. If you serve there, you will be blessed more than you know!

SHINING A LIGHT ON

Student — Alainah

Grade: 2 School: Adams

Alainah has participated in the HBH after school and summer program for 2 years.

What do you enjoy most about Hope at the BRICK House?

I like singing, learning about

God and playing outside.

When I talk to others about Hope at the BRICK House, I say? *You should sign up for it!*

What is your favorite Bible story? *Eve and Adam eating the apple.*

A couple fun facts about you?

I enjoy bike rides with my family and doing arts & crafts in my room. My favorite color is black and also all the colors.

We are just over a month into our after school program and so far it has been a great year! We have an awesome group of kids! This past week, we went to the Pride of the Wapsi! Special thanks to the North Scott Rotary for inviting us. It is always a highlight of our fall and the kids love to pick out a pumpkin!

We have been busy practicing for our annual banquet. Not only will you hear them sing a song, but you will also hear about what they have been learning at the BRICK House.

Thank you again for all of the many ways you provide for us! This place would not run without you. Stop in and see us sometime! We love to have new faces in the building!
