AUGUST—SEPTEMBER 2020

Divinely Appointed #1 Supporter

In February 2015 after I was diagnosed with the second cancer the previous year, the **Lord God spoke to me and said, "Call Gigi"**. I answered, "Lord, I don't want to share my condition to others except immediate family". The Lord spoke to me the second time, "Call Gigi". I responded, "Lord I am busy packing for our house move and wrapping work before my retirement end of February". Then the Lord spoke the third time, "Call Gigi". Now I remembered the little boy Samuel when God called him three times. I responded this time, "Lord please show me what should I ask her". Gigi is a friend and classmate from kindergarten to high school in Oroquieta City, Philippines. Our parents, Atty. Alaric and

Lydia Acosta and Fiscal George and Eligia Siton were friends. Then I saw on Facebook a pic-

ture of Gigi reading an epigenetics book. I immediately knew why I had to call her. I called Gigi and told her about the lung cancer that metastasized to the liver and remaining left kidney. I asked her if she could help me since God told me to call her. She immediately said yes. She asked me to stay with her for a

couple of days and that she can be my partner in my healing journey. On March 3, 2015, I drove to Houston from San Antonio. After one hour drive while I was in Luling, Texas **God spoke to me again and said, "Because of your obedience you are healed"**. Praise the Lord!

Every day for five days at her Holistic Physical Therapy Clinic, and her home at The Woodlands, Gigi coached me extensively about nutritional therapy, fasting, and the whole metabolic approach of cancer, combined with daily holistic physical therapy and acupuncture to stimulate my immune system. After five days I went back home to San Antonio filled with hope and love from Gigi and her team. Thank God for my #1 divinely appointed supporter.

Dr. Gigi Siton, DPT

She holds a doctorate in physical therapy and has over 30 years in clinical experience. She is an expert on the biokinetics of walking in high heels and the founder and CEO of the Holistic Physical Therapy Clinic in Houston, TX. Her physical therapy style is a combination of eastern

philosophy with western medicine training and sensibilities. In her holistic practice, she addresses the root cause of the problem, not just the symptoms. She believes that this holistic physical therapy approach is the cornerstone of any comprehensive and holistic health program.

She has further enhanced her skills with years of training in traditional physical therapy interventions combined with additional advanced training in myofascial trigger point release, acupuncture, internal Qigong, yoga, Pilates on mat and the reformer, whole body vibration therapy, manual manipulation, visceral manipulation, kinesiotaping, TRX with sports medicine applications and in Holistic Physical Therapy and current member of ACIM.

Texas Monthly Magazine named her a Five Star Physical Therapist two years in a row, and she received a 2015 Houston Medical Award for Best Physical Therapy Clinic.

Dr. Gigi is also a nutritional therapy practitioner and the author of "The Sexy Art of High Heel Walking, and the forthcoming book, "Your Body is a Self-Healing Machine". She was also speaker at Harvard University Integrated Health Symposium 2017. She hosts a

monthly Nutritional and Lifestyle Medicine Boot Camp at her Holistic Physical Therapy Clinic near Houston, Texas.

Dr. Gigi Siton, LPT, DPT, has a doctorate in Physical Therapy from Simmons College, Boston, MA and a Bachelor of Science in Physical Therapy from De La Salle University, Philippines. She also has a degree in Bachelor of Science in Psychology from the University of Santo Tomas, Philippines.

Holistic Physical Therapy

We believe that holistic physical therapy is the cornerstone of any comprehensive and holistic health program. There are six keys to holistic health and healing namely: nutritional, physical, emotional, social, environmental, and spiritual. When your body works the way nature intended, your spirit soars—and so do you.

Motto: KaDENCE - Kind and Dedicated, Empowering, Nurturing, Caring, Efficient

Our Team: Everyone in our clinic, from our receptionist to your physical therapists, has one goal in mind—to help you feel better fast. We know that when your body isn't in top shape that your entire outlook on life can be affected. That's why you'll always be greeted

with a smile here and leave with an even bigger one on your face.

Your Health:: Please don't take chances with your health. A wellness plan that's easy to understand and follow through on is key to good health all through your life. Make holistic physical therapy a cornerstone of that plan, and you're well on your way to living a life that's active and free from pain.

Gigi on Giving Back 100%

Gigi is truly my #1 supporter in my healing journey. In addition, she also supported me in realizing God's commission to "Build Him a hospital in the Philippines". Gigi volunteered to be the Vice President

of the nonprofit I started to raise funds for the hospital in the Philippines. On top of it all, she generously gave 100% of the proceeds of her soon-to-be released books "Your Body is a Self-Healing Machine". Check out her three books (see left side pictures).

Gigi shared her story on how she partnered with Mother or Saint Teresa of Calcutta in her philanthropic endeavors around the world. It was inspiring. The Lord God indeed blest Gigi with the gift of giving and healing.

Romans 12:8 He that giveth, let him do it with simplicity.

Give Unto The Lord

In November 2012, the Lord spoke to me and said, “Build Me a hospital in the Philippines”. I shared God’s vision to family and friends around the world. Several people already stand-up and donated for building

People whose hearts were stirred to give

the hospital. The Lord God sees the hearts and gifts of these givers. He will bless them more abundantly for answering His call.

This reminded me when the Lord God

told Moses and the Israelites to build Him a tabernacle. All the Israelites who were willing to bring an offering to the Lord brought their offerings until all they needed were met.

I encourage everyone whose heart

is willing to bring your offering to the Lord God to help build the hospital for the Lord in the Philippines.

EXODUS 35:4-5; 20-21, 29 ... 4 MOSES SAID TO THE WHOLE ISRAELITE COMMUNITY, “THIS IS WHAT THE LORD HAS COMMANDED: 5 FROM WHAT YOU HAVE, TAKE AN OFFERING FOR THE LORD. EVERYONE WHO IS WILLING IS TO BRING TO THE LORD AN OFFERING OF GOLD, SILVER AND BRONZE; ...

..... 20 THEN THE WHOLE ISRAELITE COMMUNITY WITHDREW FROM MOSES’ PRESENCE, 21 AND EVERYONE WHO WAS WILLING AND WHOSE HEART MOVED THEM CAME AND BROUGHT AN OFFERING TO THE LORD FOR THE WORK ON THE TENT OF MEETING, FOR ALL ITS SERVICE, AND FOR THE SACRED GARMENTS....

...29 ALL THE ISRAELITE MEN AND WOMEN WHO WERE WILLING BROUGHT TO THE LORD FREEWILL OFFERINGS FOR ALL THE WORK THE LORD THROUGH MOSES HAD COMMANDED THEM TO DO.

... All ... who were willing brought to the Lord freewill offerings for all the work the Lord ... had commanded them to do.

Partners (Churches, Organizations)

Several people, churches, and organizations already answered the Lord God’s calling to build Him a hospital in the Philippines.

They believe in the vision of the Lord God and acted to be a part of this beautiful project. We will partner with them with various fundraising events, live Facebook interviews, and speaking engagements.
