

Books on My Nightstand

Sometimes you just need a book to learn more about a topic. Whether it's a hard copy, an e-book or an audiobook, you can dig deeper, look at a topic more broadly, than you can with a podcast.

Here's my list of favorites about women, business, and life. I hope you enjoy them!

If you have a favorite book, [tell me](#) about it! If I add it to this list, you will receive a coupon for 10% off an upcoming event!

Best wishes
Marne
