Subject: Opposition to Wildflower Music Park – Public Safety and Community Quality of Life

Dear Commissioners,

I am writing as a concerned resident to oppose the Wildflower Music Park project because it threatens the peace, safety, and quality of life in our community. The proposal includes large-scale camping, overnight gatherings, and amplified entertainment that would bring trespassing, noise, and late-night traffic into a quiet rural neighborhood.

Nearby families, farms, and small businesses will experience direct impacts from disorderly conduct, fire hazards from open burns, and the strain on law enforcement and emergency services. These are not compatible with the surrounding residential and agricultural land uses.

Our county has an obligation to protect the health and welfare of its residents first. Please stand with your rural communities and reject this proposal.

Respectfully submitted,
