Subject: Opposition to Wildflower Music Park – Unsafe Traffic Impacts

Dear Commissioners,

I am writing to express my strong opposition to the proposed Wildflower Music Park and its expected traffic burden on SR-26, SR-21, and local connector roads near Melrose. These roads are already rural, narrow, and heavily traveled by school buses, farm equipment, and local commuters.

Hosting thousands of visitors during multi-day festivals would overwhelm the existing transportation infrastructure. The project has no credible traffic management plan, no designated emergency ingress or egress routes, and no assurance of law enforcement or fire access during peak hours. Accidents and congestion would be inevitable.

Please reject any permit or approval until a full, county-reviewed traffic impact study is completed and demonstrates that public safety can be guaranteed — not just promised.

Respectfully submitted,
