

Wildflowers Music Festival

Coming February—March 2026 on land zoned
for agriculture in Melrose

2,000—5,000 attendees over 3-4 days
Car, tent, RV camping with no water or sewer
Acquifer and lake at risk of pollution
Traffic, noise, garbage, inadequate fire & rescue and law enforcement
No infrastructure or wildlife plans yet released to the public
No input permitted from Putnam, Clay, or Bradford counties or their
residents—Alachua is moving forward without us
Protected species, including gopher tortoises, indigo snakes, bald eagles,
Sandhill Cranes, live oaks and native plants at risk
Poor track record for the promoter
THIS IS NOT AGRI-TOURISM!
