NEW = Marathon County has implemented an annual POWTS (Private Onsite Wastewater Treatment System) Maintenance Program Fee of **\$6.00 per septic system**, that is reflected on your tax bill beginning in 2025. This fee helps fund the county's POWTS Maintenance Program, which ensures septic systems are properly maintained and operating as required by state law. This program plays an important role in protecting our lakes, rivers, and drinking water, supporting Marathon County's vision to be the healthiest, safest, and most prosperous County in Wisconsin.

For more information regarding this fee please visit: <https://www.marathoncounty.gov/powts>
