NOTICE TO RESIDENTS

Dog License Fees Increasing

The County Board has approved an increase in dog license fees, effective for the upcoming license year.

New Fee Schedule:

- Neutered/Spayed Dogs: \$12 (previously \$5)
- Unneutered/Unspayed Dogs: \$20 (previously \$10)
- Kennel License: \$80 (previously \$50)

An additional \$12 will be charged for each dog beyond 12.

This increase helps close the gap between what the county collects in dog license revenue (\$30,000–\$35,000 annually) and the approximately \$100,000 paid each year for shelter services through the Humane Society.

All dogs **over five months of age** must be licensed annually.

Please contact the **Town of Eau Pleine Treasurer** Shirley Hein for dog license forms or additional information. 715-506-0123
